Colleges and universities have specific requirements which must be met before a degree can be granted. These requirements involve particular courses and curricula, residence on campus, grade point averages. Advisors and deans are happy, upon request, to help students meet these requirements and to maintain accounts of their progress. A student's official record is available to him at any time during normal office hours in the Office of the Registrar. *The responsibility for meeting the requirements for a degree rests with the individual student.* If all requirements are not completed, a degree cannot be awarded. Therefore, it is important for the student to acquaint himself with all College requirements and to make progress toward meeting them.

*Information contained in this catalog is accurate as of the date of publication. Wingate College reserves, however, the right to make such changes in educational and financial policy — due notice being given — as the Wingate College Board of Trustees may deem consonant with sound academic and fiscal practice. The college further reserves the right to ask a student to withdraw at any time.*

# An Introduction to Wingate College

# 1

## History

Wingate College is located in the village of Wingate, four miles east of Monroe and twenty-eight miles southeast of Charlotte on Highway 74. Monroe, the county seat of Union County, has a population of approximately 15,000. Wingate is in the heart of the Piedmont Carolinas with the scenic Appalachian Mountains to the northwest and the Atlantic Coast with its beaches to the east.

Wingate is one of seven colleges in North Carolina supported by the churches of the Baptist State Convention. Since 1947 Baptists have participated in the growth and development of Wingate by electing trustees to govern the college, by generous financial support through the Cooperative Program, and by sending young men and women into its academic program.

The college had its beginning in the establishment of the Wingate School in October 1895, by the Union Baptist Association. The institution, intended by its founders to be a "school of high grade," first opened its doors in 1896 under the principalship of M.B. Dry. The chief administrators of Wingate have been:

M. B. Dry	1896-1908
B. Y. Tyner	1908-1911
Grover Carroll	1911-1918
Patty Marks	1918-1919
C. M. Beach	1919-1924
J. B. Huff	1924-1930
Coy Muckle	1930-1936
J. B. Little	1936-1937
C. C. Burris	1937-1953
Budd E. Smith	1953-1974
Thomas E. Cortis	1974-

From the outset, the purpose and mission of Wingate was clear, as revealed by a statement in the 1898 catalogue:

*The founders of the Wingate School were men who saw far into the future and whose motives were not those of mere self-interest or self-aggrandizement. They saw that all over our*

*country boys and girls were growing up into manhood and womanhood without the requisite moral, religious and intellectual training to fit them for the great duties and responsibilities of life. Their hearts and their minds went out toward them, and the Wingate School was the result. But the great and over-shadowing purposes of the establishment of this school was to make it a Christian school. And this is what The Wingate School professes to be. It is not the purpose of the school, however, to teach denominationalism. The chief aim is to surround the school with an invigorating religious atmosphere to give tone to its life.*

In 1923 Wingate added a college level division to its preparatory curriculum. The support of North Carolina Baptists, while present to some degree from the beginning, was significantly increased in 1947 enabling the college, under the guidance of C. C. Burris, to gain full accreditation by the Southern Association of Colleges and Schools in 1952. Three years later, under the leadership of Budd E. Smith, Wingate launched a vigorous program of expansion. The physical plant, student enrollment, and the faculty grew apace, enhancing the living-learning experience of Wingate students. With the accession of Thomas E. Cortis in 1974, the college inaugurated a campaign of renewal, seeking to broaden the impact of the college in the community.

Wingate inaugurated baccalaureate programs in the Fall of 1977 and, in 1979, received full accreditation as a senior college by the Southern Association of Colleges and Schools.

## Statement Of Purpose

Wingate College exists to afford students educational opportunity in a setting characterized by Christian sensitivity and moral responsibility. The College seeks to relate the theories, data, and competencies of the curriculum to the cultural and interpersonal experiences of college life; and to lead the student to confront great moral issues. The college community promotes personal resolution of life's great issues, drawing on the wisdom of humane learning, the rigor of logical reasoning, the discipline of scientific observation, and the truth of Christian faith.

Wingate College assumes seriously its responsibility to the Christian faith, to churches, and to its covenant relationship with the Baptist State Convention of North Carolina. Students, faculty and administrators foster a sense of community which finds expression in responsiveness to the wider family of constituents: parents, alumni, churches, donors, local citizens, friends and others.

Wingate College pursues excellence in every aspect of college life. But since the College cannot be faithful to its mission by being all things to all persons, limits are necessary in order to concentrate resources for optimum results in chosen endeavors.

As the student population is drawn predominantly from the Carolinas and the Southeast, concern for broadened horizons and world awareness receives special emphasis. Opportunities for international experience and exposure to world issues are a significant component of a Wingate education.

Curricular offerings of the College reflect the preferences and objectives of the student clientele, and should remain flexible. While certain one and two year programs aim to put the student immediately into the labor force, a majority of students obtain the associate degree *en route* to the baccalaureate. Limited baccalaureate offerings make it possible for some students to remain at the College for their entire undergraduate experience.

The ultimate goal of Wingate College, past, present and future, is to be a person-centered community where truth is sought and revered in an atmosphere of Christian trust and loving concern.

## The Campus Community

Within the bounds of the spacious campus needs for housing, meals, health care, recreation, and study are provided.

*Burris Classroom Building*, erected in 1936, contains twenty-three classrooms and twenty faculty offices. The building honors C. C. Burris, a former professor, dean, and president of Wingate College.

*Efird Memorial Building* was erected in 1947 and given by the descendants of the late J. E. Efird. It contains the offices of the Director of Business Affairs and Treasurer.

*Ethel K. Smith Library*, named in honor of the College Librarian from 1953-1974, is the heart of academic life on the campus. The large air-conditioned building is equipped with ample study tables and carrels, space for eventual growth of the library's book collection (now more than 82,000) to 125,000 volumes, and facilities for offering a variety of educational services. The library provides access to many types of audiovisual and microform materials as well as to current subscriptions for over 350 periodicals. The *Mary Ann Kincaid Children's Literature Collection* is located here. Photocopying service is available. College library collections are supplemented by interlibrary loans. Wingate College is a member of the Southeastern Library Network (SOLINET), which provides on-line computerized access to a national bibliographic data base. Also, students and faculty may utilize the campus computer via two terminals and a tabletop printer housed in the library. The original building was constructed in 1959 through the generosity of Mr. and Mrs. Charles A. Cannon. Before his death in 1971, Mr. Cannon made available funds for a large addition completed in 1972.

*Edwin L. Lowery Art Building* is a studio and classroom for painting, watercolor, and pottery.

*Austin Memorial Auditorium*, completed in 1960, seats 1,100, and serves as a cultural center for the area, and for students and faculty. The building is named for the late Mr. and Mrs. John M. Austin of Wadesboro. The auditorium was remodeled in 1980 to accommodate a custom-built 30-stop Holtkamp

organ given by Miss Thelma Rivers, an alumna of the Wingate School, in honor of the Rivers family: Miss Alma Rivers, L. D. Rivers, Theodore Rivers.

*M. B. Dry Memorial*, adjoining the lobby of Austin Auditorium, was presented in 1964 by students of the late Professor Dry, first administrator of the school.

*W. T. Harris Dining Hall*, renovated in 1976 and designed to accommodate 1,500 students, has a seating capacity of 600. The building honors W. T. Harris of Charlotte, prominent trustee, supporter, and civic leader.

*Dickerson Infirmary*, erected with funds from gifts of the banks of Monroe, Wingate, and Marshville, has quarters for the college nurse and physicians. The infirmary is named for the late N. K. Dickerson, Sr., of Monroe.

*Budd E. Smith Science Building*, named in honor of the College's tenth President, and completed in 1962, provides laboratories and classrooms for biology and chemistry.

*J. Herbert Bridges Business Building*, completed in 1963, honors a former leader of the Wingate College Board of Trustees. The building provides classrooms, offices, laboratories, and auxiliary facilities for business administration classes and houses the Computer Center. The campus computer provides students with interactive programming capability. The computer laboratory contains 11 cathode ray tubes and a line printer.

*Sanders-Sikes Physical Education Building*, completed in 1959, is fully equipped for physical education. It has a regulation playing court and a seating capacity of 2,500 as well as ample storage, dressing, locker, office and classroom space. The structure honors two families prominent in the early history of the college.

*McIntyre Gymnasium*, built in 1927 and renovated during the 50's, provides additional space for physical education. The building bears the name of a prominent Wingate family.

*A Swimming Pool*, constructed in 1957 with funds given by Charles A. Cannon, is used for recreational instruction.

*Plyler Athletic Field*, built in 1956 by the chil-

---

dren of I. F. Plyler of Monroe, is the athletic field for baseball; it has a seating capacity of 3,000. Adjacent are several all-weather Grasstex tennis courts available year round.

*Northwood*, the President's home, is located one half mile north of the campus.

*Bell Tower*, given in 1963 by Peter Verna, contains the Memorial Bell, a gift of D. C. Belk; Norton chimes were added in 1964 by Mrs. Joe Ross, Sr., of Monroe in memory of her husband.

*Holbrook Administration Building*, named in honor of Roy L. Holbrook, a dedicated friend and former trustee of Wingate College, was completed in the fall of 1965. It is a modern edifice serving the Trustees, the President, the Vice President for Academic Affairs and Dean, the Registrar, and the Advancement Offices.

*Burnside-Dalton Fine Arts Center*, named in honor of Harry L. Dalton and the late J. E. Burnside, both of Charlotte, was completed in 1968. It includes the Mullis Memorial Studio in addition to other art and music studios. The Allen Griffin Art Gallery houses a permanent art collection; included are works of noted South American, Japanese, and European artists. The building also houses foreign language classrooms and laboratories.

*Laney Hall*, erected in 1968 to honor the late Baxter K. Laney and Mrs. Laney (Minnie Funderburk '09), provides a 300 seat auditorium.

*Charles Albert Cannon Building*, erected in 1969-70, contains approximately thirty thou-

sand square feet of laboratory and classroom space. The building honors the College's most generous benefactor, the late Charles Albert Cannon.

The *Dickson-Palmer Center*, at the main intersection of the campus across from the W. T. Harris Dining Hall, was dedicated in April of 1977. The center houses the campus store, game rooms, T.V. lounge, pool tables, table tennis room, snack bar, reading, music, and conversation lounges, social hall, and six bowling lanes. The building provides offices for student personnel administrators, conference rooms, campus post office, and facilities for student government and student publications. A small chapel and office for the campus minister are included along with a public lobby and information center. The building honors Clyde C. Dickson, of Charlotte, and the late Fannie Drye Palmer of Albemarle.

*Founders' House* is a two story house serving the Office of Admissions, and the Office of Financial Aid.

*The Mountain Man*, one of the world's largest free-standing wood sculptures, is at the pedestrian mall in the heart of the campus. Created by R. K. Harniman as a tribute to the national bicentennial, the sculpture was given to the College by Marshville residents: the Carroll Edwards family, the Cresful Horne family, and Mr. and Mrs. Joe Pryor. The original study was acquired through the generosity of the late J. A. Burris of Lincoln, and Dr. Paul J. Helms of Monroe.

## Student Residences

### For Men

*Bennett Hall*, completed in 1964, is arranged in suites. The Hall is named for the late W. L. Bennett, of Wadesboro, former trustee, alumnus, and supporter.

*Holbert Hall*, completed in 1964, is arranged in suites. The Hall honors the late Edward D. Holbert, of Albemarle.

*Helms Hall and Conference Center*, completed in 1967, houses approximately 200 men. The Hall and Conference Center honors L. L. Helms, prominent alumnus and trustee of Wingate College and his wife, Mary Smith Helms.

*Bridges Hall*, erected in 1970, is arranged in suites. The Hall is named for H. Conrad Bridges of Mooresville, a former trustee.

*Rushing Hall*, erected in 1970, is arranged in suites. The Hall honors Mr. and Mrs. T. B. Rushing, of Marshville.

*Hackney Lounge*, joining Bridges and Rushing Halls, provides lounge and study areas for men of the adjacent dorms. The lounge is named in honor of J. P. Hackney, Jr.

### For Women

*Alumni Hall*, constructed in 1946 and renovated in the summer of 1977, provides housing for women.

*Ruth Coltrane Cannon Hall*, houses women. In addition to an apartment for the residence director, there are well-equipped parlors, recreation room, storage, kitchen, and laundry facilities. The building honors the late Mrs. Charles A. Cannon.

*Bess Hamilton Tucker Hall*, completed in 1964, houses women in fifteen suites. Each suite has an outside entrance, bath, and lounge facilities which encourage a congenial atmosphere. On the first floor is located an apartment for the residence director, parlors, storage room, laundry and kitchen facilities. The Hall is named for the late Mrs. C. M. Tucker of Pageland, wife of a former trustee.

*Carol Belk Hall*, completed in 1966, houses women in twenty suites comparable to those in Tucker Hall. Connecting Belk and Tucker Halls is a one-story building that provides lounge areas. Belk Hall honors Mrs. Irwin Belk of Charlotte.

*Hendricks Hall*, completed in 1962, honors the late Dr. A. F. Hendricks, professor of Bible and Mathematics for many years.

The College recognizes that varied social and extra-curricular programs enhance the academic pursuits of students. The offices of the Dean of Students, the Director of the Dickson-Palmer Center, and the Campus Minister work closely to provide stimulating extra-classroom activities as well as personal and career counseling for Wingate students.

## Housing

### Policy

The Board of Trustees of Wingate College requires that all students live in College facilities unless they are married and living in their own homes or the homes of their parents.

### Insurance

Wingate College cannot provide insurance to cover the personal belongings of a student in residence at the College. It is recommended that the student and/or the student's family arrange for such commercial insurance coverage as is desired.

## Dormitory Furnishings

The College owns and operates ten residence halls that provide excellent living quarters. Students are assigned housing through the office of the Dean of Students.

Dormitory rooms are furnished with bed, dressers and desks or tables. Drapes are furnished in all dormitories. Students furnish:

- Waste basket
- Linens (towels, sheets, pillow)
- Blankets
- Study lamps

## Commuting Students

Wingate College makes every effort for students who reside at home and commute to the campus to have an enriching college experience. Lounges are maintained in the Dickson-Palmer Center and the Bridges Business Building for the convenience of these students. Commuting students are encouraged to become involved in all aspects of campus life.

## Religious Life

From the time of its establishment, Wingate College has regarded religion as a central factor in life. Wingate attempts to create an atmosphere in which students may mature in their religious beliefs and find intellectual sanctions for their faith.

Religious activities are coordinated by the Christian Student Union and the Campus Minister. The Wingate Baptist Church is adjacent to the campus and the Wingate United Methodist Church is located a few blocks away. Churches of other denominations are located in Monroe.

Wingate faculty members are personally dedicated to the inculcation of religious values. They participate in area churches and believe that the dimension of value is best taught by demonstration of the impact of Christian faith on personal living.

## The Dickson-Palmer Center

The Dickson-Palmer Center is the hub of student life at Wingate and houses the offices of student development, the campus minister, the Student Government Association, and the Christian Student Union. The Dickson-Palmer Center is the site for program planning and numerous student activities as well as recreational facilities, the coffee shop and bookstore.

To help provide a variety of extracurricular activities, student committees plan and implement: a traditional Christmas Madrigal Dinner, movies, special trips, coffee houses, community projects, and major concerts. Diverse programming offers something for everyone. Students are also offered mini-courses in subjects as varied as horseback riding and photography.

## Student Government

Wingate has an active Student Government Association under the supervision of the Vice President for Student Development. The Association is a cooperative body with a constitution that provides for policy making and enforcing. All students are members of the Stu-

---

dent Government Association, and its officers are elected by popular vote.

The Women's Dormitory Council and Men's Dormitory Council represent all residents living on campus. The councils assist in residence hall regulations.

*The Student Handbook*, containing specific regulations, is presented to every new student at the time of matriculation. Members of the Dormitory Councils assist the students in understanding the handbook.

## General Rules

The college strives to maintain a wholesome, friendly, and inspiring campus environment, conducive to right thinking and right living. As far as possible, students are dealt with individually and encouraged to live up to their highest potential.

A student, to remain in good standing, will be considerate of the well-being of others and respect the traditions of the college.

Those planning to enter college should read carefully the following statements:

1. Hazing is a violation of the laws of the State of North Carolina. Any type of physical punishment, humiliation, or intimidation of any student by another student is classed as hazing and is not permitted.
2. Possession or use of alcoholic beverages on campus or at College functions is strictly forbidden.
3. The illegal possession or use of controlled substances is strictly forbidden.
4. Stealing, lying, gambling, cheating, vandalism, and other forms of immoral conduct are not permitted and will be dealt with according to the offense.
5. The possession of firearms, firecrackers, or explosives of any kind on a college campus is a violation of College policy and of North Carolina law.

6. The college reserves the right to suspend or expel in cases of major discipline (alcoholic beverages, controlled substances, gambling, destruction of property, non-open dormitory policy, hazing, fireworks, firearms, etc.). Also, the college cooperates with law enforcement agencies regarding offenses concerning controlled substances.
7. Students are not permitted to keep pets in College buildings.
8. Rooms are equipped with adequate lighting. Sun lamps are not permitted.
9. Students may not change rooms without consent of the respective Dean.
10. Students must register motor vehicles.
11. When a student moves into a college room he/she assumes obligation for that room for a semester
12. Students are responsible for regulations set forth in the student handbook as well as those of the catalog. Dormitory regulations are posted on the back of each room door.

## Athletics

To help the student develop a sound and strong body, the college sponsors a well-balanced program of healthful, organized, and supervised intramural athletics. Students are encouraged to participate.

Wingate College is actively involved in intercollegiate athletics, fielding teams for men and women. Women regularly meet other teams in volleyball, basketball, softball and tennis. Men compete against other colleges in basketball, baseball, soccer, tennis and golf.

The college is a member of the Carolinas Intercollegiate Athletic Conference, National Association of Intercollegiate Athletics and North Carolina Association of Intercollegiate Athletics for Women.

## **Student Services**

### **Orientation**

Incoming students attend orientation on a weekend during the summer prior to entrance in the fall. During orientation students explore academic and career options and are familiarized with the campus community. Students also have the opportunity to pre-register for the fall semester. Further orientation activities are planned for all students during the first three days of the fall semester.

Students unable to attend summer orientation should contact the college prior to the beginning of the fall semester for guidance and preliminary registration assistance.

### **Career Development and Placement**

Wingate College recognizes the importance of assisting students in their career decision making. Career counseling, interest inventories and career information are available to students. The college also actively assists in job placement after graduation.

### **Cultural Programs**

At Wingate emphasis is placed on the cultural aspects of life, along with spiritual growth, scholastic achievement and social development. The college sponsors a lyceum series each year which includes varied artistic programs. In addition, music ensembles, music faculty and students, as well as dramatic groups, present recitals, concerts, and plays. Charlotte Coliseum and Ovens Auditorium, located on the Wingate side of the city of Charlotte, afford excellent entertainment such as symphony and pop concerts and plays. Students have ample opportunity to participate in campus social events.

### **Student Publications**

Students, under faculty supervision, publish a college yearbook, *The Gate*; *The Triangle*, the campus newspaper; and a literary magazine, *Counterpoint*. The *Student Handbook* is prepared by the Student Government Association of Wingate College and the Administration for the orientation and guidance of

students. *S.G.A. Newsletter* is the official publication of the Student Government Association.

### **Messages and Mail**

Wingate is served by the Mid-Carolina Telephone Company. The College maintains mail delivery service on the campus. Resident students are assigned mail boxes in the Dickson-Palmer center. Pay telephones are located in most dormitories. Some student rooms are equipped with telephones. These may be obtained upon subscription through the office of the Dean of Students.

### **Emergencies**

Wingate College strives to provide adequate personnel to handle emergencies at all times. Students can be located in case of emergencies by calling the College Switchboard: 704/233-4061. The switchboard operates normally from 7:30 a.m. until 12 midnight seven days per week during the fall and spring semesters. Emergency service is provided at other times.

### **Transportation**

Queen City Trailways operates daily schedules to points throughout the state and nation. It is only a short distance to Charlotte's airport where there are many flights daily to all parts of the country on United, Eastern, Delta, and Piedmont Airlines.

### **Organizations**

#### **Honor Societies**

*Alpha Chi* is a general academic honor society whose purpose is to promote academic excellence and exemplary character among college students. It is open to no more than the top ten percent of juniors and the top ten percent of seniors who are elected by the faculty on the basis of their good reputation and character as well as high scholarship. *Delta Sigma Rho-Tau Kappa Alpha* is a forensics honor society open to students who have completed three semesters, rank in the upper 35% of their class and have a distinguished record of participation in co-curricular speaking activities for at least two years.

---

---

## Departmental Societies

*Alpha Mu Gamma* is the honorary language society. To be eligible a student must receive at least two "A's" and one "B" in unrepeatable language courses; the grades earned in all subjects exclusive of those in foreign language shall average at least "C".

*Chi Omicron Pi* is the honorary chemistry fraternity. It is open to students with a "B" in chemistry and an overall average of "C".

*Delta Psi Omega* is the honorary Dramatics fraternity. Students with satisfactory academic standing who participate in the cast or crew of a production sponsored by the fraternity are eligible for membership.

*Sigma Alpha Omicron* is the honorary engineering fraternity; it is open to pre-engineering students who have met specific scholastic requirements.

## Clubs

Numerous clubs at Wingate promote interest in subject matter and various activities. Included are the following:

*Activities Program Board* is the branch of the Student Government Association responsible for planning campus student activities.

*Alpha Phi Omega* national service fraternity studies student problems, enriches student life, and promotes the best interests of the college community.

*Black Awareness Club* promotes community among Black Students and encourages a sense of Black awareness on campus.

*Wingate College Business Organization* provides a forum for the discussion of current issues and provides opportunity for the intellectual and social enrichment of Wingate College students. Open only to junior and senior students in Business Administration.

*Cheerleaders — Color Guard* is organized to promote spirit and to encourage the teams to excel.

*Circle "K" International* provides students with a means by which they can express their concern and be of service to others in society. The motto is "WE BUILD" and in practice means constructive involvement in the community and on campus.

*International Club* promotes world under-

standing among students from other countries and America.

*Literary Club* fosters a vigorous exchange of ideas among those who are vitally interested in literature and culture. Membership is open to all interested students.

*Outing Club* stimulates interest in nature and outdoor life, and seeks adventure through the challenge of climbing, rappelling, and camping.

*Penthouse Forensics Team* is open to students interested in intercollegiate debate and individual events.

*Phi Beta Lambda* is a national organization for college business students with over 200,000 members in the United States and Puerto Rico. Wingate College's Phi Chapter holds semi-monthly meetings with guest speakers from all areas of business endeavors. Students annually enter competitive events in college-level business subjects in both state and national meetings.

*Photography Club* is to exchange ideas and information concerning photography and offer photography services to the community.

*President's Forum* is composed of the presidents of campus organizations. Members meet to discuss college affairs informally with the College President.

*Sigma Nu Pi* is the Recreation majors club for students interested in professional development in the field of parks, recreation and leisure services.

*Student Broadcasting Service* facilitates communication between students, staff and faculty through the dissemination of information and exchange of ideas.

*Student Music Educators National Conference* provides opportunities for the professional development of college students in the area of music and music education.

*"W" Club* is composed of athletes outstanding in intercollegiate sports.

*Wingate College Intramural Association* is for the purpose of promoting interest and originating contests in competitive athletics and sports on the campus among those who are not engaged in inter-collegiate sports.

*Young Democrats Club* promotes the interests of the Democratic Party.

*Young Republicans Club* promotes the interests of the Republican Party.

## Expenses

Charges are based on a maximum student load of 18.5 semester contact hours. After the tenth day of classes, a student will be charged for extra hours at a rate of \$77 per semester hour.

Students taking less than 12 semester hours are classified as part-time students and are charged tuition at the rate of \$77 per semester hour.

## Deposits

To secure enrollment, each student, including those on scholarship, must pay a deposit of \$50. This deposit is applicable to the

semester for which it is made. It is not refundable if the student fails to complete enrollment.

A non-refundable \$50 pre-registration deposit is required of all students in order to pre-register in the spring and to secure a dormitory room for the following semester.

**ONLY STUDENTS WHO PAY THIS NON-REFUNDABLE DEPOSIT ARE PERMITTED TO PRE-REGISTER.**

The student makes a \$30 Surety Deposit upon enrollment. The deposit is refunded upon withdrawal or graduation, provided all accounts are settled, and keys are returned.

---

---

## Books and Supplies

Textbooks and necessary class materials are on sale in the Campus Store. A complete line of college goods is available. Almost every need of a student for studying and living can be purchased on the campus.

## Check Cashing

The Business Office will accept checks only for payment of accounts. For students who stay on campus for extended periods, or who find it necessary to have substantial sums of money available, it is suggested that an account be established with a local bank.

## Refunds

The College makes in advance substantial commitments for the purchase of goods and services based on the number of students completing registration. However, students who officially withdraw from the College through the Registrar's Office may be refunded a portion of their payments on the basis of the following schedule:

### TUITION AND FEES

#### Withdrawal before close

of business:	REFUNDABLE
First Friday of the Semester	75%
Second Friday of the Semester	50%
Third Friday of the Semester	25%

**BOARD (meals) payments shall be refunded pro rata, less 10% of the basic charge.**

**Refunds for board shall be computed as of Friday of the week of withdrawal.**

**ROOM charges are not refundable.**

In order to receive withdrawal credit for board, a student must submit his Wingate I.D. card (meal card) to the Business Office.

Withdrawal may require refunds to some student financial aid programs.

This policy applies to students who officially withdraw during any regular session of the College. It does not apply to summer sessions.

## Late Arrival

Students arriving after the closing hour on the last day of check-in will be charged a Late Fee of \$10, whatever the reason for the delay.

## Responsibility For Payment

Payment of all applicable basic charges for

the semester is due upon registration. The student is responsible for seeing that payments are made.

## Insurance

The student is automatically enrolled in the student insurance program and charged the appropriate premium unless participation is waived in writing prior to enrollment.

## Student Financial Aid

Wingate College welcomes the opportunity to aid students who require financial assistance in meeting the cost of attending Wingate.

Both dependent and independent students file the Financial Aid Form (FAF) or Family Financial Statement (FFS). The college requires the institutional application form to start the student's financial aid file at Wingate. Students who apply for aid are expected to file for a Pell (BEOG) Grant. Timely application and input accuracy for all forms are expected, since forms are subject to review and audit.

Financial aid programs vary as do needs of students. Some provide outright grants, some involve part-time jobs to enable the student to earn a portion of college expenses, and some make possible deferred loan payment. Awards are based upon evidence of need and academic potential. Awards are generally renewable if the student maintains a satisfactory scholastic average and demonstrates need on the renewal application. Certain scholarships have additional specific requirements (consult the Director of Financial Aid for details). To maintain a financial aid package during the academic year, a student must make satisfactory academic progress.

Awards are applied to costs of attending Wingate. Pell (BEOG) Grant credits can be made to the student, if the account is clear. Under these circumstances, the student uses this money to defray the expenses of books and transportation. College Work-Study earnings are available to the student under the same conditions.

Over awards, involving state, federal, or institutional scholarships, usually result in the

---

award being reduced to agree with the need and amount owed by the student on his/her account. The apparent inequity of some students receiving refunds of credits and others having awards reduced is due to the various requirements for administering financial aid programs.

Several of Wingate's financial aid programs are described below. Other funds for scholarships or loans are available for worthy students in many fields of study. These funds have been established by corporations, foundations and individuals.

Federal and State funding depends on actual allocations received through these sources and are subject to change.

## State and Federal Aid Programs

*North Carolina Legislative Tuition Grant:* The State of North Carolina provides a grant to each North Carolina resident enrolled in a private college in the state as a full-time undergraduate student. An application is required for this grant. The amount available to students in 1981-82 is \$600.

*North Carolina Contract Scholarships:* Funds for these scholarships are made available by the State of North Carolina to aid North Carolina residents attending private colleges in the state. They vary in amount according to the need of the student as determined by need analysis.

*Basic Educational Opportunity Grant (Pell Grant):* A student may receive a grant of up to \$1,900 minus the amount the student and the family are expected to contribute toward the student's education.

*Supplementary Educational Opportunity Grant:* Direct awards are made to full-time students who show financial need. Awards may range from \$200 to \$2,000 per year, depending on family resources and college costs.

*College Work Study:* In this joint federal-college program, part-time employment is made available to students to help pay educational expenses. Students must be enrolled or accepted for full-time enrollment. Students may work up to a weekly average of 15 hours while attending college. The basic pay is the minimum wage rate.

## Scholarships

*Trustee Awards* were established by Wingate College Trustees in 1965. They are based on merit without consideration of need; they are for undergraduate study leading to a college degree. The stipend for a Trustee Scholar is \$1,000 per annum. These awards are subject to renewal upon the recipient's maintenance of high standards of work and conduct. Nominations are made by eligible high schools and preparatory schools; recipients are chosen by a Committee.

*Bicentennial Leadership Awards* were instituted by the Board of Trustees of Wingate College to recognize high potential leadership individuals who will reflect the values and ideals of those who founded the United States of America.

*Allen Endowed Scholarships* have been established by Mr. and Mrs. Fred H. Allen of Wadesboro.

*Allvac Scholarship*, was established by Allvac Metals of Monroe — a Teledyne company.

*W. T. Baucom Scholarship Fund* was established by The Reverend and Mrs. W. T. Baucom.

*Irwin Belk Endowed Scholarships* were established in 1966 by Senator Irwin Belk.

*Penelope Parker Biles Fund* was established by Rev. and Mrs. T. H. Biles.

*C. C. Burris Memorial Scholarship* was given in memory of Dr. C. C. Burris.

*Joseph Preston Corey Scholarship Fund* was established by Joseph Preston Corey.

*H. B. Fowler Scholarship Fund* was established by the family of H. B. Fowler.

*Bessie Gaddy Scholarship Fund* was established by friends of Bessie Gaddy.

*Sam Gaddy Scholarship Fund* was established by Mrs. Sam Gaddy.

*Allen Griffin Scholarship Fund* was established by Allen Griffin.

*Timothy E. Hamby Scholarship Fund* was established by the family and friends of Tim Hamby, a former student.

*Agnes Helms Scholarship Fund* was established by friends of Agnes Helms.

*J. B. Helms Memorial Scholarship* was established by Mrs. J. B. Helms.

*A. F. Hendricks Scholarship* is given in memory of Dr. A. F. Hendricks.

---

---

*Joel C. Herren Memorial Scholarship Fund* is a memorial to an alumnus who served for many years as bursar and debate coach.

*Carl Thomas Jarrell Memorial Scholarship Fund* perpetuates the memory of a former teacher and alumnus.

*Baxter K. and Minnie Funderburk Laney Scholarship Fund* was established by a bequest of Mr. and Mrs. Laney.

*Sam H. Lee Memorial Scholarship Fund* was established by friends of Sam H. Lee.

*Liles Ministerial Fund* was established by Mr. J. S. Liles.

*George Milton and Sarena Brooks Little Memorial Scholarship* was established by Mr. and Mrs. Thomas Little.

*Henry Wall Little Scholarship Fund* was established by family and friends of Henry Wall Little.

*Janet Mathis Scholarship* has been established by the class of 1966 and friends.

*Wilma L. McCurdy Memorial Scholarships* honor Wilma McCurdy, and are funded by The Wilma L. McCurdy Memorial Scholarship Trust.

*O. W. McManus Memorial Ministerial Scholarship Fund* was established by the family of O. W. McManus.

*Bradley D. Osborne Scholarship Fund* was established by the family and friends of Bradley D. Osborne.

*B. F. and Della Cox Parker Memorial Scholarship Fund* was established by the family of Mr. and Mrs. Parker.

*Prentis W. Poplin Scholarship Fund* was established by a bequest of Prentis W. Poplin.

*Henry and Ava Richardson Pow Memorial Scholarship Fund* was established by the children of Mr. and Mrs. Pow.

*Muldrew Arthur Powers Scholarship Fund* was established by Mr. and Mrs. Powers.

*R. L. Sibley Scholarship Fund* was established by the family of R. L. Sibley.

*Reverend Frank Stegall Memorial Scholarship Fund* has been established by the First Baptist Church of Randleman, N.C.

*Dr. E. S. Summers Memorial Scholarship*, is made available by friends from Concord and Kannapolis.

*Lloyd and Georgia Thayer Scholarship Fund* was established by friends of the Thayers.

*Wade Manufacturing Company Scholarship* was established by the Wade Foundation for financial assistance for Anson County students.

## **Church Vocations Aid**

Students studying to serve as pastors or in other church vocations must be approved by their churches and may file requests for assistance on tuition. Any student granted aid is required to execute a note with a competent endorser, agreeing to repay the amount of the grant if he does not become a pastor or engage in a church vocation within a reasonable period of time.

Any full-time North Carolina Southern Baptist pastor may take any course tuition-free, paying only the general fee and any special fees which may be associated with a specific course. Recipients are expected to cooperate with the Financial Aid Office since many will qualify for scholarship grants which will help cover the costs involved in this program.

## **Ministerial Dependent's Guaranty**

The Ministerial Dependent's Guaranty at Wingate College assures the spouse, child, or legal dependent of ordained Baptist ministers, of at least \$1,500 per year in financial aid. If a student and his/her family have no demonstrable need, the College still assures the student of \$1,500 per year, renewable each year upon maintenance of good standing. If the student subsequently qualifies for any other type of assistance, the College makes up the difference between the other assistance and the \$1,500 Guaranty. If the student and his/her family demonstrate need in excess of \$1,500 per year, the College will "package" assistance to meet the student's total cost of room, meals, tuition and required fees.

The Guaranty is subject to the following guidelines:

1. The recipient must be admissible to Wingate College, must remain in good standing, and must maintain full-time student status.
2. The recipient's family agrees to file the

---

---

federal government's Basic Educational Opportunity Grant (BEOG) Form, the Financial Aid Form (FAF) of the College Scholarship Service or the Family Financial Statement (FFS) of the American College Testing Program.

3. The minister, whose dependent claims the Guaranty, must be a full-time minister of a cooperating Southern Baptist church or an ordained, full-time employee of a Southern Baptist Convention-affiliated State Convention or agency.
4. The Guaranty may be used by any qualified recipient a total of eight semesters, or until attaining the bachelor's degree, whichever occurs first.
5. The Guaranty does not apply toward summer session.

## Loan Funds

Certain loan funds are available to worthy students at a rate of 12% per annum:

*Hallie B. Welsh Fund*

*Richardson Loan Fund*

*Stanback Loan Fund*

*National Direct Student Loans.* In this joint federal-college program, loans are made to needy students. A student may borrow up to \$3,000 during his first two years of college; \$6,000 maximum for undergraduates. Repayment begins 6 months after the student ends his studies. There is no interest until repayment begins; after that, the interest rate is 4% per year on the unpaid balance. Minimum repayment is \$30 per month for a maximum payment period of 10 years. A student may cancel part of the loan through certain types of teaching service.

*Guaranteed Student Loan Program:* This program is designed for families who may not qualify for financial aid programs, but for whom the cost of education may be a burden. Legal residents of North Carolina enrolled full-time may borrow through College Foundation, Inc., up to \$2,500 per year. The federal government pays the 9% interest during the enrollment period. Repayment begins 6 months after the student completes his/her studies. Similar programs are available to students from other states through their educational agencies.

Application forms may be obtained by writing:

Director of Financial Aid

Wingate College

Wingate, North Carolina 28174

The deadline for applying for aid is April 1.

## Nondiscrimination Policy

Wingate College is operated on a nondiscriminatory basis. Wingate College abides by the provisions of Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and the Rehabilitation Act of 1973, Section 504.

Wingate College is in compliance with the provisions of the Family Educational Rights and Privacy Act of 1974. A copy of the Act and the College Policy concerning Student Educational Records and Information are on file in the Office of the Vice President for Student Development, and the Office of the Registrar.

## Admission

Persons seeking admission to Wingate College should write for an application, complete the form carefully, and return it as early as convenient. A non-refundable processing fee of \$15 must accompany the application. An application is not completed until the following papers are received:

1. application with photograph
2. fifteen dollars processing fee
3. high school transcript
4. College Board scores or American College Testing scores

Registration may not be completed until the completed Physical Exam form has been returned to the college.

To secure enrollment, a \$50 non-refundable deposit is made to the Admissions Office. This is to be made by February 1 or within ten days after being notified of acceptance for admission by the Admissions Committee.

College Board scores or American College Testing scores should be sent to the Admissions Office of Wingate College, Wingate, North Carolina 28174. International students must submit scores on the Test of English as a Foreign Language (TOEFL). A minimum score of 500 is required for consideration for admission.

The summary on the last page of this bulletin should be carefully checked.

## Transfer Students

### Admission

Students who complete course work in another accredited college or university may apply for admission to Wingate. Transfer applicants, except B.G.S. applicants, must be eligible, both academically and socially, to return to the institution from which they are transferring. Applicants from accredited institutions will be admitted upon recommendation of the Admissions Committee and the Registrar.

### Transfer Credit

Academic work completed at accredited colleges or universities will be accepted at full value for courses passed with the grade of "C" or better; credit for courses passed with a

grade below a "C" will be provisional and subject to completion of the first semester's work at Wingate with an average of "C" or better. Courses taken at other institutions must parallel Wingate College courses. The maximum amount of course hours which may be transferred from a two-year institution is 64 semester hours or 96 quarter hours. Students transferring from institutions which do not grant the baccalaureate degree must complete at least 64 hours on the senior college level. Transcripts of students entering from technical institutes will be evaluated to determine the equivalency of work completed and its applicability to a baccalaureate degree. In some cases, proficiency testing may be required.

A maximum of 6 semester hours may be earned by correspondence work and/or extension credits.

Transfer students, except B.G.S. candidates, must possess a 2.00 quality point average on all college work and a 2.00 on work attempted at Wingate in order to qualify for a degree from Wingate. (B.G.S. guidelines are explained on page 37.)

## Degree Requirements

### Graduation Requirements

To receive the Bachelor of Arts, Bachelor of Music, Bachelor of Music Education, or the Bachelor of Science degree from Wingate College, a student must meet the following requirements:

1. Completion of general education requirements.
2. Completion of a minimum of 125 hours and all requirements for the program of study (major). Programs of study have varying requirements of specific courses and total hours.
3. Completion of a program of study. At least 40 semester hours must be in courses numbered 300 or above.
4. Maintenance of a 2.00 cumulative grade point average on all college work and a 2.00 cumulative grade point average on all courses in the major (including major requirements and all 300-400 level courses attempted in the major).
5. Completion of lifeISSUES requirement (see page 30).
6. Completion of at least one year (30 semester hours) of study at Wingate College in addition to practicums, field experience, or internships and at least two years in a senior institution including

---

practicums, field trips, and internships. The last 30 hours completed immediately prior to graduation must be taken at Wingate.

7. Discharge of all financial obligations to the college.

To receive the Associate Degree, a student must meet the following requirements:

1. Completion of a minimum of 63 hours and all required courses listed in program of study. Electives in a program of study are recommended, but are not required. The average grade must be "C" on all college work.
2. Completion of lifeISSUES requirements (see page 30).
3. Discharge all financial obligations to the college.
4. Completion, at Wingate, of the last 30 hours immediately prior to graduation.

To receive a second Wingate College Bachelor's Degree or a second Wingate College Associate Degree, a student must meet the following requirements:

1. Receive written permission to pursue a second degree from the Vice President for Academic Affairs and Dean and the chairperson of the division in which the student wishes to major.
2. Complete all requirements for the second degree.
3. Earn a minimum of 30 additional semester hours in residence after the awarding of the first degree.

Two degrees may not be awarded at the same commencement exercise.

The requirement for graduating with honors on the associate or the baccalaureate level is: Summa cum laude (3.9 and above), Magna

cum laude (3.65 to 3.899), Cum laude (3.5 to 3.649).

A student must be present at Commencement ceremonies to receive a diploma. Only in circumstances beyond the student's control will permission for absence be granted. A written request for such permission must be made to the Registrar at least 30 days before Commencement.

The college reserves the right to alter graduation requirements and/or to modify academic programs and policies at its discretion. A student may request graduation under any catalogue in force during continuous enrollment provided that the catalogue is no more than six years old at the time of graduation. The college may make reasonable course substitutions when changing academic requirements prevents the student from completing graduation requirements.

Each student is responsible for acquainting himself with requirements for graduation and for meeting the requirements as stated.

Students must submit a written request for graduation to the Registrar ten days prior to the beginning of the semester in which the student will complete degree requirements. Forms for this purpose are available from the Registrar.

## General Education Requirements

General education provides breadth of learning, content and experience. The goals of general education include the understanding of a cultural heritage, the development of intellectual values and styles, aesthetic sensitivity, and an attitude of social-moral responsibility. The general education curriculum demonstrates the relevance of the Christian faith to questions about life and destiny.

## lifeISSUES

lifeISSUES is a program to bring students into contact with timely moral, spiritual and ethical concerns of American life and culture. The lifeISSUES program consists of three components:

1. Topic sessions. Students may choose one of several topics of study each semester.
2. Community sessions. These programs involve the entire campus community and deal with topics of current concern.
3. Lyceum sessions. The college sponsors several programs each semester involving speakers and/or musical and theatrical groups of national prominence.

lifeISSUES requirements are as follows: Three units (1½ credit hours) for students in the freshman and sophomore years; Three units (1½ credit hours) for students in the junior and senior years.

Students transferring to Wingate are required to take lifeISSUES for one semester less than the number of semesters they attend Wingate.

Students receive .5 semester hour's credit for each semester of lifeISSUES. Grading is on a pass-fail basis. A student who fails to meet the lifeISSUES requirements may be ineligible for re-enrollment in the succeeding semester.

Specific requirements for attendance, course work and expectations of students are distributed to each student at the first meeting of lifeISSUES.

## General Information and Regulations

### Academic Programs

Wingate College offers programs of study which lead to associate degrees and to baccalaureate degrees. Baccalaureate programs allow students to receive the associate degree en route to the baccalaureate degree, if the student chooses this option.

Specific baccalaureate and associate programs are described under their respective divisions.

## Academic Standards (Probation and Suspension)

Academic Probation is determined by the cumulative average which a student earns on credit courses. At the conclusion of a semester, the Vice President for Academic Affairs and Dean will notify the student by mail if the cumulative average is below the minimum. In such case, the student will be placed on academic probation for the next regular semester. Probation is determined only on the basis of permanent grades at the conclusion of a semester; mid-semester progress reports are not included in grade-point calculations.

The minimum cumulative averages are:

<i>Semester Hours Attempted</i>	<i>Minimum Average</i>
1-27	1.4
28-56	1.6
57-86	1.8
87-above	2.0

A student must have a 2.0 cumulative grade point average to qualify for the Associate and/or the Baccalaureate degree.

A student who is on academic probation at the end of two successive semesters will be academically ineligible for the next semester. A part-time student (registered for less than 12 semester hours) enrolled for 6 or more hours who fails all hours attempted will be ineligible to enroll for the next semester.

Students who are academically ineligible may apply for readmission through the Vice President for Academic Affairs and Dean for review of their records by the Committee on Academic Affairs.

When it becomes clear to college personnel that a student has forfeited academic responsibility by:

1. persistent failure to complete classroom assignments;
2. habitual class absence; or
3. disruption and disturbance of fellow students,

the student may be asked to withdraw from the college. Appeals relative to enforcement of this policy may be made through the Vice President for Academic Affairs and Dean to the Committee on Academic Affairs.

---

---

## Academic Honors

Students are recognized by the college community for academic excellence. Each semester a Dean's List includes those students who have earned a quality point average of 3.3 on at least 12 academic hours and have no grade below a C.

At commencement, students with a cumulative average of 3.5 or higher are graduated with honors as follows:

Summa cum laude	3.9 and above
Magna cum laude	3.65 to 3.899
Cum laude	3.5 to 3.649

## Classification

A student is considered a freshman upon entry into college and is classified as a freshman until 28 semester hours have been completed. A student is classified a sophomore upon completion of 28 semester hours; a junior upon completion of 57 semester hours; and a senior upon completion of 87 semester hours.

## Status

A student who carries 12 semester hours is considered a full-time student.

## Advising

Each student has an adviser who helps plan the student's academic program and who is available for personal guidance. Freshmen are assigned faculty and student co-advisers to assist with unique freshmen concerns.

Advisers help students develop individual academic programs which include Wingate's specific degree requirements and the student's career objectives. While advisers have resources to aid students in academic planning, the responsibility for meeting the requirements of a specific degree rests with the individual student.

The Director of Career Planning and Placement is available to advise regarding academic and career planning.

## Electives

The student and adviser should carefully plan electives which complement the desired major. Electives may be chosen from any course offered in the college provided prereq-

uisites are met. A student should consult with the adviser in choosing electives which will meet degree and career objectives.

## Registration and Change of Courses (Drop — Add)

Students should plan programs of study in close consultation with faculty advisers. Then, prior to each registration, students plan courses accordingly. Programs of study include degree requirements and fit the individual's total educational plan.

A student may add a new course during the first week of a semester and receive full credit, provided he has the permission of the registrar and makes up the work to the satisfaction of the faculty member.

A student may withdraw from a course at his discretion until three weeks prior to the beginning of final examinations and receive a "W" provided he:

1. maintains his standing as a full-time student;
2. secures the approval of his adviser, the faculty member, and the registrar.

A student who drops a course less than three weeks prior to the beginning of final examinations will receive a "W", if passing, or "WF", if failing.

After the tenth day of classes, a student will not be refunded money for courses dropped.

Should a student drop a course at any time without official approval from the registrar, he will receive an "F".

## Withdrawal From College

Any student voluntarily leaving the college before the close of the term must withdraw officially. The student initiates the withdrawal procedure in the Office of the Registrar. The withdrawal form must be signed by the various college officials listed on the form. The withdrawal process is completed at the Business Office. A student who has settled all accounts with the College will be given an honorable dismissal. A student who withdraws after the lapse of three weeks prior to the beginning of final examinations will receive as grades a "W" (withdraw passing), if passing, or "WF" (withdraw failing), if failing.

---

## Class Attendance

Regular class attendance is a student's obligation and a student is responsible for all the work, including tests and written work, of all class meetings.

Each faculty member defines his own absence policy and so informs students on the first day of classes. Students who represent the college at officially recognized activities are responsible for making necessary plans for class absence with each professor in advance of the absence.

The college maintains the regular schedule of classes throughout the semester. Classes are not cancelled due to inclement weather (i.e. snow, sleet) and students are responsible for all the work of class meetings missed due to inclement weather.

## Evaluation and Grading

Students are evaluated continually during the semester and grades are assigned at the conclusion of the course. Final examinations are given on work covered during the entire semester.

The following grading symbols are recorded:

- A — Excellent
- B — Above average
- C — Average
- D — Passing
- F — Failure
- P — Pass (for courses offered on P-F basis)
- H — Pass with honors (for courses offered on P-F basis)
- I — Incomplete (see below)
- W — Withdrawal passing
- WF — Withdrawal failing

Minus (-) and plus (+) may be attached to each grade of "A", "B", "C", and "D" but do not affect the quality points assigned for those grades.

The grade of "I" indicates that some requirement of the course is not yet complete. A student receiving an "I" is expected to initiate steps with the instructor to change these grades. A grade of "I", which has not been changed before 30 days of the next regular semester have elapsed becomes an "F". An extension may be granted by the Vice President

and Dean of the College upon written request of the instructor.

Progress reports indicating courses on which the student is earning less than a "C" are issued at the middle of the semester to Freshmen and Sophomore students. These do not become a part of the permanent record. Grades issued at the end of each semester make up the student's transcript.

Records of progress are kept by the college on all students and grades are issued at the end of each semester.

A student may not register for a course which he has previously taken and earned a grade of "C" or above. Any course in which a grade of "D" or "F" is received may be repeated. Credit toward the degree (hours credit) may be received only once; however, the hours and quality points represented by each attempt will be included in the grade point average.

The student's grade point average is calculated by dividing the quality points received by the number of hours attempted. The grade of "A" carries four quality points per credit hour, a "B" three, a "C" two, and a "D" one quality point.

A course in which credit is given on a P-F basis is not counted as hours attempted if the student earns a "P". It is counted as hours attempted if the student earns an "F". An average grade of "C" (2.00) on all hours attempted is required for graduation.

## Transient Study

Wingate students who wish to take a course or courses at another institution and transfer that credit to Wingate should obtain permission from the Registrar's office prior to taking the course. Permission is generally not given to students to take required courses at another institution. A student must have a cumulative 2.0 average to obtain permission to take a course at another institution and transfer the credit for that course to Wingate College.

While transfer credits are accepted from other institutions, course work taken at other institutions does not raise a Wingate student's cumulative grade point average.

---

## **Auditing**

Students may audit courses with the permission of the faculty member and the Registrar and upon payment of a \$50 fee. This fee is not refundable if the student withdraws from the course for any reason. Audit status may be changed to credit status only within the first four weeks of the semester and upon additional payment of tuition required for part-time credit or overload credit, if either applies. (See page 20.) This change requires approval of the faculty member and the Registrar.

## **Foreign Study and Travel — Credit**

Students participating in programs of international travel and study under authorized leadership may apply for elective academic credit. A copy of itinerary and/or transcript must be filed with the Registrar. Credit is determined by the Registrar.

## **Charlotte Area Educational Consortium**

Wingate participates, with ten other institutions of the greater Charlotte area, in an educational consortium. The purpose of the consortium is to facilitate cooperation and to make available to students at member institutions opportunities available on other member campuses.

Wingate students enrolled as full-time students may take courses offered on the campuses of ten other Charlotte area cooperating schools. Cross-registration is done on a space available basis on the campuses to be visited and the students are not required to pay additional fees.

Wingate students provide their own transportation. Details for cross-registration are available from the Registrar.

## **Independent Study**

Independent study involves an arrangement between a student and a professor approved by the student's adviser for exploration of a particular subject or topic. The arrangement is normally initiated by the student who has in mind specific goals.

Candidates for the baccalaureate degree are encouraged to complete one course of independent study; some programs require at least one course of this nature. Each division offering a baccalaureate program has a course numbered and identified as independent study. The course may count toward the requirements for the major or as an elective, if a student wishes to pursue independent study in a non-major area.

Each independent study arrangement must be approved both by the chairperson of the division in which the student is doing the study and the Vice President for Academic Affairs and Dean at least 30 days prior to the onset of the study itself. Ordinarily, a student may enroll in only one three-hour independent study each semester. A 2.00 cumulative quality point average is required for all students engaging in independent studies.

Students whose preparation and experience offer the opportunity for a highly individualized baccalaureate program may, in consultation with the adviser, present for approval a program with a large component of independent study. Students whose baccalaureate plan includes more than nine hours of independent study in addition to a maximum of 12 hours in a practicum, field experience, internship, etc. must submit an outline of their total baccalaureate program to the Academic Affairs Committee for approval.

## **Practicum, Field Experience, and Internship.**

Baccalaureate programs at Wingate College may include practical experience as a major constituent. Plans for practicums should be made with both academic competency and career plans in mind. Experience should integrate various elements of the student's academic program. This experience should be planned by the student and his adviser, and approved by the Vice President for Academic Affairs and Dean at least 30 days prior to the beginning of the experience. Credit may vary from 3 to 12 semester hours, depending upon the nature of the experience, its intensity, and/or duration. This determination will be made by the student, the adviser, the divisional committee on independent study and

---

practicums, and the Vice President for Academic Affairs and Dean.

The student pays tuition and housing charges for the duration of the practicum. He is not required to pay the board fee for this period unless he is residing full-time on campus. If the student is only coming to the campus for various periods of evaluation, he may take meals in the dining hall on a per meal basis.

## **Summer Session**

In summer session, a student may complete up to 6 semester hours per term. No refunds are made during summer enrollment.

The same high standards of the college are maintained with regular faculty members serving as instructors. Living accommodations and recreation facilities of the regular session are available.

For information concerning admission, course offerings and other matters contact: Director of Admissions, Wingate College, Wingate, North Carolina 28174.

## **Evening Courses**

Opportunity is offered for students to take courses for college credit or personal enrichment during evening hours. Evening courses are generally taught by full-time faculty.

For information concerning admission, course offerings and other matters, contact Director of Admissions.

## **Special Information and Regulations**

### **Wingate Winternational**

Wingate College offers a unique study-tour program, "Winternational," which makes available an international experience each year to qualifying sophomores. Winternational seminars begin in the fall and culminate in a study-travel opportunity of approximately ten days in another country during the Christmas recess. The college covers basic costs of transportation and lodging, with the aim that a student should be able to participate in Winternational at little additional cost above personal expenditures.

Conditions of participation in the Winternational seminar and the travel-study experience are: sophomore classification; completion of three full-time semesters at Wingate; maintenance of a 2.0 grade point average; high standards of character, motivation and personal citizenship; successful completion of the fall semester seminar; payment of all debts to the college, and payment of the deposit for the spring semester following the program. These conditions of participation are not waived under any circumstances by any agent of the college.

## **Honors Program**

The honors program at Wingate College challenges students of exceptional ability by providing courses and independent study that require creativity and academic excellence.

Admission to the honors program for entering freshmen is by invitation from the Vice President for Academic Affairs and Dean on behalf of the Committee on Academic Affairs which oversees the honors program. Entering freshmen are selected on the basis of Scholastic Aptitude Test scores, high records and rank-in-class, and other information supporting the ability and maturity of the student. Students enrolled in honors are permitted to take a minimum of two honors courses each semester of the first year.

To apply for the honors program after the first semester of the freshman year, students must have an overall grade point average of 3.0 with no grade of D or below and at least a 3.0 average on the subject in which they wish to do honors work. Students make application for the honors program through their advisers or professors.

Descriptions of the various honors courses offered by the College are listed in this catalog under their respective subject areas.

## **Overload**

Five courses (15-16 hours) are considered a normal course load. A student may take 18.5 hours at his discretion. Permission to take more than 18.5 must be granted by the Vice President for Academic Affairs and Dean or the Registrar. This permission is not given to

---

students with less than a 2.0 cumulative grade point average.

After the tenth day of classes, a charge of \$77 is assessed for each hour above 18.5. There is no refund of this fee.

### **R.O.T.C.**

Wingate College has a cooperative program with Davidson College under which Wingate students may enroll in the US Army Reserve Officers' Training Program (ROTC). Both men and women are eligible for this program and must travel to either the Davidson College campus or to UNC-Charlotte to take instruction and training.

Under this arrangement, students planning to enter a four-year degree granting institution may fulfill the requirements for the Basic Course of ROTC (freshman and sophomore years) while at Wingate. In the Advanced Course of ROTC (junior and senior years), students enter into a contractual agreement with the Army and may receive up to \$1,000 per year.

Detailed information on this program is available in the Registrar's Office and from the Department of Military Science, Davidson College, Davidson, N.C. 28036.

### **Credit By Examination**

Students may earn a maximum of 30 hours toward the baccalaureate degree by examination.

A maximum of 15 hours may be earned by satisfactory scores of three, four, or five on the Advanced Placement of College Entrance Examination Board (CEEB) achievement tests, or for college level work completed at an accredited college while the student is enrolled in secondary school. An additional 15 hours may be earned on College Level Examination Programs (CLEP). Wingate will allow credit for a maximum of 15 hours for USAFI courses which are compatible with the curriculum of Wingate College and on which the student

score ranks at the minimum of the fiftieth percentile of his testing group.

Credit by departmental examination is available for full-time students enrolled in any course that Wingate College teaches, subject to the following restrictions:

1. A student may earn no more than 6 hours credit by departmental examination in any given semester.
2. A full-time student may request the opportunity to demonstrate his proficiency at any time prior to mid-term. Before an exam is given, he must pay a \$25 non-refundable fee to the Business Office. If proficiency is demonstrated in the first week of classes in any semester, the student will be permitted to enroll in another course.
3. Students enrolling in another course in a given semester will pay a fee of \$77 for each credit hour over 18.5 if the total credits attempted in that semester exceed 18.5
4. In any course involving laboratory experience, credit by examination must be earned by separate examinations in the lecture and laboratory portions of the course.
5. Courses requiring proficiency in specific methods and/or techniques (performance groups, supervision, and/or observations in the field) are excluded from any credit by examination.
6. The examination and its evaluation will be a collective decision of the division faculty.
7. Part-time students must pay a \$25 non-refundable fee to the Business Office before an examination is given. Additionally, if the student passes the examination, he must pay to the Business Office the current per-semester-hour charge for the credit earned. Payment of all fees must be made to the Business Office prior to the recording of the grade on the student's transcript.

## Degrees

Wingate College offers programs of study which lead to baccalaureate degrees and to associate degrees. Baccalaureate degree offerings include the Bachelor of Arts, Bachelor of Science, Bachelor of Music, Bachelor of Music Education, and Bachelor of General Studies. Associate degree offerings include the Associate in Arts, Associate in Science and Associate in Music. Students pursuing a baccalaureate degree may elect to receive the associate degree **en route** to the baccalaureate degree.

## Baccalaureate Programs and Concentrations

Wingate College offers 18 programs of study (majors) at the baccalaureate level. Students choose at least one program of study (major). To complement this program, students may choose a concentration (minimum of 18 semester hours) in one of 23 areas. Concentrations are not required except in Intermediate Education and in the Bachelor of General Studies program. Concentrations do not have to be in the same academic division as the baccalaureate program of study. For example, a student may choose Human Services as the program of study (major) and elect to pursue an 18-hour concentration in management.

The Bachelor of General Studies degree program is a cross-disciplinary, non-traditional degree designed to give the student flexibility in creating a personal curriculum. Qualifications for admission to this program and regulations are explained on this page.

## Associate Programs

Associate degrees are offered in six (6) programs of study (majors). These programs are generally completed at the end of the sophomore year.

Students may elect to pursue an associate degree in general studies either en route to the baccalaureate degree or as a terminal degree. This general studies associate degree requires completion of all required general

education courses listed on page 29 and the fulfillment of the 63-hour minimum requirement for an associate degree. (See page 28.)

### Explanation of Terms

Course numbers have the following meanings:

100-109	Designed primarily for freshmen, but may be taken by all students
200-299	Designed primarily for sophomores, but may be taken by all students.
300-399	
400-499	Designed for juniors and seniors.

Courses numbered below 100 will not count toward meeting degree requirements.

## The Bachelor of General Studies

The Bachelor of General Studies degree program is for non-traditional students and for individuals whose college careers may have been interrupted. A student interested in the B.G.S. degree must consult with the Registrar before applying for candidacy. To apply for candidacy the individual should have completed at least 40 semester hours of college work and application should be made one academic year prior to the anticipated date of graduation. Prospective B.G.S. students should note the following information and guidelines.

1. The B.G.S. is a non-traditional degree without a major, designed to give the student a personal curriculum. It is not intended to meet professional certification standards and it is not intended to prepare the student for a particular vocation.
2. The B.G.S. degree has no general education or distribution requirements.
3. The following regulations apply to the Bachelor of General Studies degree.
  - a. A student must earn a total of 125 semester hours.
  - b. A student must complete at least one area of concentration. Concen-

- 
- 
- trations are described on page 37.
- c. Courses numbered below the 300 level may not apply toward completion of a concentration.
  - d. A student must successfully complete 40 semester hours of course work numbered 300 or above (including transfer courses).
  - e. A student must attain a minimum 2.0 grade point average on all work attempted at Wingate College.
  - f. A maximum of 90 semester hours may be transferred from other accredited institutions; however, no grade below a "C" may be transferred to Wingate College. Credits transferred from a two-year institution may not exceed 64 semester hours.
  - g. Credit for any course may apply toward a degree only once, even if the course is repeated.
  - h. The last 30 semester hours must be completed at Wingate College.
  - i. A student must successfully complete Science 301 and Humanities 301 within the first two semesters after acceptance into the B.G.S. program.
- 4. To be admitted to candidacy for the B.G.S. degree, the student must:
    - a. visit the office of the Registrar for an initial conference, credit evaluation, advising, and development of a personal plan of study;
    - b. submit a letter to the Registrar requesting permission to enter the B.G.S. degree program, giving reasons for seeking the degree and indicating awareness of the practical usefulness of the degree. The letter should conclude with a detailed personal plan, including courses to be taken and an anticipated date for graduation, as worked out in conference with the Registrar; and,
    - c. the student's personal plan must be accepted and approved in writing by the Vice President for Academic Affairs and Dean. The student becomes a B.G.S. degree candidate after the personal plan has been approved.

## DIVISION OF EDUCATION AND SOCIAL SCIENCE

*Professors:* Bell (*Chairperson*), Henderson, Sims

*Associate Professor:* Billinger, Funderburk

*Assistant Professors:* Carter, Cauble, R. Christopher, Connell, Ferguson,

Merrill, Pickerill, Pipes, Randall, Sparks, Traynham, Veenstra, Wooten

*Instructor:* Shadrick

The Division of Education and Social Science includes instructional offerings in education, geography, history, human services, physical education, political science, psychology, recreation, and sociology.

Baccalaureate degrees are offered in American Studies, Education (Early Childhood K-3, Intermediate 4-9, Music K-12, and Reading K-12), Human Services, Social Sciences with emphasis in History (with the option to certify on the secondary level), and Parks and Recreation Administration.

The American Studies program is an interdisciplinary exploration of the American experience from religious, aesthetic, historical, literary, and social dimensions. A generous number of electives is included for possible choice of a second major or concentration to provide greater flexibility for student choice. Only the Bachelor of Arts degree is granted in American Studies.

Programs of study in education are designed to provide students with an introduction to methods of teaching. Along with general education courses and comprehensive philosophical and methodological courses in education, courses in reading and learning disabilities are required to prepare students to meet the challenge of pupil differences. This program is committed to early identification of education majors and early observation and participation experience in the public schools.

Wingate's Social Science program with emphasis in history stresses the introductory courses of the several social sciences, their nature, and possible interrelations of a theoretical level, while several required history courses cover the major regions of the world. Students may obtain secondary certification in social studies in connection with this major.

It provides maximum opportunity for interdisciplinary study and comprehensiveness in the social sciences and history.

Wingate's Human Services program is designed for students who choose careers working with people: serving the personal and interpersonal needs of both individuals and groups. This degree program emphasizes skills and attitudes necessary to become a practitioner in human service occupations — ministry, church-related vocations, mental health, social work, and work with specific age groups (e.g., gerontology, child care, etc.). All courses are presented in an interdisciplinary manner with relevant Christian theological inquiry.

The Parks and Recreation Administration program prepares students for careers in community recreation programs, camps, parks, and other occupations related to leisure time. The planning, administration, supervision, and evaluation of recreational opportunities are covered.

Courses in history and political science offer students an opportunity to explore the historical development of human civilizations, human beings' attempt to understand and to structure social environments, and the values which undergird human relationships.

Through physical education courses, students are encouraged to develop an appreciation of physical activity and practices that maintain good health. Opportunities are provided for students to participate in a variety of activities including team sports, dual sports, individual sports, and recreational activities. The college requirement in physical education is P.E. 101. Students may choose other physical education courses for elective credit.

## Requirements for majors

Degree candidates must complete requirements of general education listed on page 29.

### American Studies

American Studies majors receive a B.A. degree and must complete foreign language through the intermediate level. Other requirements include Art 405, 406; Biology 115; English 203 and 204 (fulfills general education literature requirement), 304, 401; History 201, 202, 401, 402, 412, 450; Religion 310, 410; a minimum of ten hours of electives numbered 300 or above; and seventeen hours of general electives.

### Education

#### Entrance Requirements for the Teacher Education Program

Students may be admitted to a teacher education major upon satisfying the following requirements and being approved by the Teacher Education Committee.

1. The student must submit a formal application to the Teacher Education Committee after completing forty-five

semester hours of college work. A brief autobiography and photograph must accompany this application.

2. The student must have a cumulative grade point average of at least 2.2 at the time of application and maintain at least 2.0 through graduation.
3. The student must have passed at least one course in education at Wingate College and must have a minimum of twenty clock hours of field experience in an elementary or secondary school.
4. The student must provide three references from college instructors. One of these recommendations should come from an instructor in education.
5. One or two letters of recommendation from any source may be included in the student's file at his request.
6. Exceptions to the above policies may be recommended by the Teacher Education Committee and approved by the Dean of the College.
7. The Teacher Education Committee reserves the right to deny admission to any student.

## DIVISION OF FINE ARTS

*Associate Professors:* Bostic (Chairperson), Murray, Parrish, Youngman

*Assistant Professors:* Geist, Hutton, Napier, Phillips

*Instructors:* Helms

*Lecturers:* Asti, P. Bostic, Harkey, Hill, McCoy, C. Parrish, Slechta

Courses in Art seek to develop each student's capacity for expression in art, either by studying the works of other artists or by involvement in the creation of art. Courses are designed to explore methods and techniques as well as to give a sound basic knowledge of drawing, painting, and design.

The Division of Fine Arts offers programs in music leading to the **Bachelor of Arts, Bachelor of Music, and Bachelor of Music Education** degrees. In combination with the Division of Business and Economics, the **Bachelor of Science** degree is offered in Music-Business.

The *B.M.* degree with an emphasis in *performance* is designed to bring the student to the highest level of achievement on his principal performing instrument.

The *B.M.* degree with an emphasis in *church music* is designed to prepare the student as a performer, and to acquaint him with the historical development and use of church music, as well as the methods and materials commonly employed for implementing a music program in the church.

The *B.M.E.* degree is designed to prepare the student to assume responsibility for the music program in the public schools.

The *B.A.* degree with an *emphasis in music* is designed for the study of music within a liberal arts curriculum affirming the literature of music, basic musicianship, performance, and principles and terms which lead to a fuller intellectual grasp of the art.

The *Bachelor of Science* degree in *Music-Business* is offered in coordination with the Division of Business and Economics. This program is intended for students pursuing a business career related to music.

The Division also offers the Associate in Music degree.

*Placement Audition.* Persons wishing to pursue a music degree must audition for the music faculty on their principal instrument

prior to their first semester of study at Wingate College. The purpose of the audition is to identify the performance level of the student.

*Principal Performance Study.* A student will select one instrument (organ, piano, or voice) for concentrated study as per the requirements of the particular program of study in music being pursued.

*Preparatory Performance Study.* If deficiencies in the area of the student's principal instrument are identified by the music faculty during the placement audition, the student will be required to register for Preparatory Performance Study 111, 121, etc. until proficiency for Principal Performance Study 112 is attained.

*Performance Study Examinations.* Each music student enrolled in private applied study will have a performance study examination at the end of each semester. Guidelines are available in the division chairman's office.

*Performance Study Secondary.* Each student (B.A., B.M., B.M.E.) must study four semesters on one instrument for four hours of credit. It is recommended that these hours be taken consecutively. B.M.E. students must have at least one semester of vocal study.

A student may pursue as a secondary instrument one of the following: organ, piano, voice; a string instrument, a single-reed woodwind instrument or brass instrument.

*Piano Proficiency.* Students pursuing the B.M., B.M.E., or B.A. in Music degrees must pass a proficiency in piano before graduating from Wingate College. (B.M.E. before pre-registering for student teaching). The proficiency is as follows:

1. Sight read any hymn at an acceptable tempo.
2. A repertoire number selected by the student.
3. An accompaniment selected by the student with a soloist also performing.

4. Open-score reading of two lines (e.g. soprano and tenor, or alto and bass).
5. Any major and minor scale, two octaves ascending and descending, hands together.
6. Harmonize a melody at sight.
7. Play a hymn or patriotic song in three keys or be able to transpose a song selected by the examiners to two keys at sight.

The proficiency examination will be scheduled at the beginning and end of each semester. During each examination, the student must attempt all parts of the proficiency test.

*Recital Performance Requirements.* All students should perform once on recital each semester on their principal instrument. The Performance Emphasis student will give a sophomore, junior, and senior recital (Music

220, 320, 420). The Church Music Emphasis student will give a senior recital. All students pursuing a degree in music with the exception of the Bachelor of Science Degree in Music-Business must present a "Junior Group". The person pursuing the Performance Emphasis will meet this requirement by giving a junior recital.

*Recital Attendance Requirement.* Students pursuing music degrees at Wingate College are expected to attend recitals and concerts presented on campus. For specific attendance requirements for each program of study, see the description of the course, Music 125 . . . , Recital and Concert Lab.

For students studying other academic fields, electives in art and music are offered. Also, Concert Choir, College Chorus, Band, and Orchestra give all students the opportunity to participate in performance ensembles.

## Requirements for majors

Students majoring in music must complete the appropriate music curriculum which includes requirements of general education and requirements for the major.

## DIVISION OF HUMANITIES

*Lang Professor of History and of Religion and Philosophy:* Surratt

*Professors:* Coleman (*Chairperson*), Barnes, Cowsert, Smith

*Associate Professors:* Doak, Griffin, P. Thomas, Vick

*Assistant Professors:* Bagley, Brownlee, B. Christopher, Hayes, Little, Montero, Stover, M. Thomas, Walker, Woodson

The Division of Humanities includes courses in English, Foreign Language, Philosophy, Religion, and Speech Communication.

Baccalaureate degrees are offered in Communication Studies and Religious Studies.

The baccalaureate degree in Communication Studies offers an interdisciplinary program of study which develops highly specialized communications skills while providing great flexibility in career choice. The program involves study in advertising, English, journalism, marketing, and speech Communication. These basic communications courses may then be combined with an area of concentration consonant with a student's career goals. (See page 37.)

The Religious studies program involves concentrated academic study in religion, emphasizing the Judaeo-Christian heritage and expression. Its stance is Christian, involving an openness to truth and meaning from any and all mediating sources or disciplines.

Courses in Foreign Language aim to give the basic skills with which the students can begin to communicate in a foreign language. Students also study the civilization and culture of each respective country.

Instruction in Foreign Language utilizes an electronic language laboratory to develop the student's ability in the basic skills of communication.

---

## Requirements for majors

Degree candidates must complete requirements of general education listed on page 29.

### Communication Studies

Communication Studies majors must fulfill these requirements: Journalism 301, 405; English 320, 340, 401, 410; Business 321, 322; Math 109 (satisfies general education mathematics requirement); Speech 101, 201, 410;

Sociology 311; twelve hours in courses numbered 300 or above; and thirty-one hours of general electives. Electives should be chosen from one or two concentrations consonant with career goals.

### Religious Studies

Religious Studies majors receive a B.A. degree and must complete ancient or modern foreign language through the intermediate level. Requirements include:

Thirty-six hours of Religious Studies (including the college general education requirement):

- a. Biblical Studies: 15 hours selected from 110, 201, 202, 205, 206, 305, 306, 309, 401, 420, 430.
- b. Historical Studies: 6 hours selected from 326, 341, 342, 310, 410
- c. Theological Studies: 6 hours selected from 301, 302, 319, 401, 403, 405
- d. Philosophy: 3 hours from 201, 360
- e. Religion Electives: 6 hours

Restricted electives to include eighteen hours:

- a. Twelve semester hours of restricted electives from **one** of the following groups: history, human services, psychology, sociology, music, education, English, or American studies.
- b. Six semester hours selected from any one of the above groups (omitting the area chosen for completion of restricted electives), adding art, speech, science and political science.

Nineteen hours of general electives.

Students should choose electives consonant with the degree requirement that 40 hours must be in courses numbered 300 or above.

## DIVISION OF SCIENCE AND MATHEMATICS

*Professor:* Yarbrough (*Chairman*)

*Associate Professors:* Hadden, Peeples

*Assistant Professors:* Adams, Fletcher, Gibson, Kerr, Johnson, Rowe, Scott

*Instructors:* Patterson, Favro (*on medical leave*)

The Division of Science and Mathematics includes instructional offerings in Biology, Chemistry, Engineering, Mathematics, Medical Assisting, Meteorology, and Physics. The Division offers programs of study leading to the baccalaureate degree in Biology, Mathematics, and Business/Mathematics. Associate degree programs are offered in Pre-Engineering and Medical Assisting.

Students who major in Biology or Mathematics may earn certification to teach on the secondary level. (Those completing the Biology curriculum with secondary certification are certified to teach Biology and Chemistry). Science and mathematics courses are also offered to fulfill area concentration requirements in Intermediate Education. Students wishing to teach science or mathematics on the intermediate school level may pursue these courses as part of the Intermediate Education curriculum.

Associate degree studies in pre-engineering provide a base for students to enter baccalaureate programs in civil, electrical, and mechanical engineering. Guidance is given to assist in transfer to the engineering college of the student's choice.

Medical Assisting is an associate degree program which provides intensive training in clinical skills and in administrative medical secretarial skills, as well as an introduction to

the liberal arts. The program is accredited by the American Association of Medical Assistants. Admission is competitive; following acceptance to Wingate, the applicant must be admitted to the Medical Assisting program. Criteria used in selecting Medical Assisting students include class rank, above average high school grades and positive performance in a personal interview.

The Mathematics major prepares students for graduate work, teaching, or direct employment. Employment in a business capacity is directly addressed with the Business/Mathematics program.

The major in Biology is designed: (1) to prepare students for graduate work in any area of biological sciences; (2) to provide the basic science foundation necessary to entering professional programs in medical and paramedical fields; (3) to prepare students for direct entry into industrial and technological job markets; and (4) to provide certification for students wishing to teach at secondary and intermediate school levels.

In addition to these objectives, science courses provide students with the option of a scientific perspective, an awareness of the importance of science to modern man, and experience with analytical and investigative process.

## Requirements for majors

Degree candidates must complete requirements of general education listed on page 29.

### Biology

Majors in Biology must complete Biology 101, 201 or 202, 205, 301 (or Chemistry 301), 305, 401, 405 and eight hours of biology electives numbered 200 or above; Chemistry 101, 102, 201, 202; Physics 201-202 or 205-206; Mathematics 109 (fulfills general education mathematics requirement), 120; and 19 hours of general electives.

Students not planning on graduate studies may substitute 4 hours of science electives numbered 200 or above for Math 120. They may also substitute Chemistry 205 and 4 hours of science electives above the 200 level for Chemistry 201-202.

Students should choose electives consonant with the degree requirement that 40 hours must be in courses numbered 300 or above.

Students pursuing secondary certification are required to apply to the Teacher Education Program (see page 43) and complete Education 205, Education 301, Education 322, Psychology 302, Science 356, Education 470 and Chemistry 301 in place of Biology 301. Students certifying may delete general electives.

## Associate Programs

Associate degree candidates in pre-engineering and medical assisting must complete the curriculum described below which includes requirements of general education and requirements for the major.

Elementary typing should have been completed in high school or summer school prior to admission to the program. Students must exhibit evidence of proficiency in typing before exiting the program: 50 wpm based on two five-minute timed tests with no more than five errors.

Students must earn a grade of "C" or better

in all medical assisting courses to remain in the medical assistant program.

A student who prefers to take additional secretarial courses rather than laboratory or clinical skills courses may plan such a curriculum with the program director for the second year of classes.

## Description of Courses

## ACCOUNTING

**Accounting 251. Principles of Accounting I.** Principles of Accounting as the language of business. Special emphasis upon the reasoning and logic of the accounting cycle for the sole proprietorship. Credit: three hours.

**Accounting 252. Principles of Accounting II.** Continuation of Accounting 251. Emphasis on accounting principles as applied to partnerships and corporations. Additional study of accounting as a tool for managerial decision making. Credit: three hours.

**Accounting 303. Intermediate Accounting I.** In depth analysis of accounting theory and the accounting process; financial statement presentation, present value accounting; handling of asset and liability accounts. Prerequisite: Accounting 252. Credit: three hours.

**Accounting 304. Intermediate Accounting II.** Continuation of Accounting 303. Analysis of advanced topics of corporations, income tax accounting, and changes in financial statements. Credit: three hours.

**Accounting 325. Cost Accounting.** Cost systems, product costing, responsibility accounting, materials, labor, and overhead cost control. Also includes job order, process, and standard costs. Prerequisite: Accounting 251-252. Credit: three hours.

**Accounting 326. Managerial Accounting.** Use of accounting for business decision making. Attention given to principles and techniques, reports, analyses and interpretation of accounting data. Prerequisite: Accounting 252. Credit: three hours. (Formerly Accounting 305.)

**Accounting 328. Federal Income Tax.** Accounting and legal aspects of federal taxation of individuals and corporations; taxes of estates and trusts; basis for recognizing gain or loss; dividends, deductions; returns and payments; credit against taxes. Study of the current revenue act, stressing preparation of the specimen return. Prerequisite: Accounting 252. Credit: three hours.

**Accounting 331. Auditing.** Auditing theory and practice. Auditing procedures and standards established by the American Institute of Certified Public Accountants and the Certified Internal Auditors; duties of both junior and senior auditors. Prerequisite: Consent of Instructor. Credit: three hours.

**Accounting 403. Advanced Accounting I.** Practical applications in the study of partnerships, home and branch accounting, consolidated financial statements, and financial reporting for multinational companies. Prerequisite: Accounting 303-304. Credit: three hours.

**Accounting 404. Advanced Accounting II.** Continuation of Accounting 403. Bankruptcy, corporate reorganization, estates and trusts, and governmental accounting. Prerequisite: Accounting 303-304. Credit: three hours.

**Accounting 420. CPA Review.** Preparation for the CPA Examination. Review of accounting principles and new concepts and changes. Prerequisite: Consent. Credit: three hours.

C.P.A. Examination. Review of accounting principles and new concepts and changes. Prerequisite: Consent. Credit: three hours.

## ART

**Art 101. Basic Composition and Design.** Basic elements of art and organization of elements through simple compositional problems; emphasis on color, form, value, and texture. Portfolio of two-dimensional projects using variety of media. Credit: three hours.

**Art 102. Basics of Oil and Acrylic Painting Media.** Technical and expressive nature of paint in relation to subject matter ranging from representational to non-objective. Credit: three hours.

**Art 103. Art Appreciation.** Lecture introduction to painting, sculpture, architecture and crafts. Includes elements of design and historical survey of visual arts. Credit: three hours.

**Art 104. History of Painting.** Survey course covering the history of painting from cave times to the present day. Through readings, slides, and lectures, the course deals with the philosophy and materials of art and with the development of individual artists. Credit: three hours.

**Art 105. Drawing.** Drawing techniques and experimentation with drawing media, including charcoal, pencil, ink, and conte crayon. Elements of line, texture, and value explored through use of natural forms, environments, human figure. Studio. Credit: three hours.

**Art 106. Beginning Watercolor.** Uses and techniques of watercolor painting. Exercises using washes, overlapping colors, special effects. Painting from location (landscapes and nature subjects) insofar as possible. Credit: three hours.

**Art 201. Three Dimensional Design I.** Exposure to basic art materials and processes including wood, metal, leather, and found objects. Credit: three hours.

**Art 202. Metalsmithing.** Tools, materials, and processes of metalsmithing. Non-ferrous metals such as copper, brass, and aluminum used for finished projects. Studio. Credit: three hours.

**Art 203. Ceramics.** Basic processes in ceramics. Problems in forming, glazing, and firing with instructions in handbuilding and wheel throwing techniques. Studio. Credit: three hours.

**Art 250. Elements of Film Making.** Motion picture production with emphasis on film as visual communication. Production of short super 8mm films. Credit: three hours.

**Art 301. Three Dimensional Design II.** Advanced sculptural work involving three to four major projects in clay, wood, plaster, or mixed media. Prerequisite: Art 201. Credit: three hours.

WINGATE UNIVERSITY ARCHIVES

Special Collections

**Art 302. Advanced Painting.** Continuation of Art 102. Involves student in individual and creative approach to medium use and composition. Development of an idea or theme required. Prerequisite: Art 102. Credit: three hours.

**Art 303. Advanced Ceramics.** Exploration with form in clay, including advanced work in lidded jars, forms with handles, and large scale pottery. Prerequisite: Art 203. Credit: three hours.

**Art 305. Advanced Drawing.** Extension of techniques and media introduced in Art 105. Individual expression and experiments with subject matter emphasized. Prerequisite: Art 105. Credit: three hours.

**Art 306. Advanced Watercolor.** Embraces individual problems using watercolor medium in expressive and experimental ways. Greater variety of subjects and techniques. Prerequisite: Art 106. Credit: three hours.

**Art 375. Art Methods for Elementary Education.** Comprehensive program of arts and crafts. Variety of drawing and painting techniques as well as craft processes including printmaking, papier mache, fabric projects, and collage. Portfolio of projects required upon completion of the course. Credit: three hours.

**Art 405. Aesthetic Experience in America I.** Qualities and experiences of times, place, and purpose that represent the aesthetic awareness developing in America from its historical beginnings to the 1860's. Selected examples of artistic forms will represent the arts in their relatedness to the American experience. Credit: three hours.

**Art 406. Aesthetic Experience in America II.** Innovations and the international dimensions of the aesthetic experience in America from the latter 19th century to the present; diversity of styles and attitudes after World War II presented through the lives, works, and philosophies of individual artists. Credit: three hours.

**Art 450. Senior Project.** Work with selected theme or subject to be developed through various media, including 2-dimensional and 3-dimensional approaches. Culminates in comprehensive exhibition. Credit: three hours.

## BIOLOGY

**Biology 101. Principles of Biology.** Basic concepts of biological science emphasizing cell structure, function, and chemistry; genetics; speciation and adaptation. Prerequisite to all courses 200 and above. Three hours lecture, two hours lab. Credit: four hours.

**Biology 115. Environmental Biology.** Basic concepts of ecosystem structure and function, and varieties of interactions in the environment. Problems of energy and energy flow, resources, disruptive influences, and man's response and responsibility. Three hours lecture, two hours lab. Credit: four hours.

**Biology 120. Human Biology.** Biology of man's life cycle; growth and development; physiological control; reproduction and genetics; human ecology and population

biology. Three hours lecture, two hours lab. Credit: four hours.

**Biology 201. Vertebrate Natural History.** Vertebrate natural history, distribution, functional anatomy, and behavior. Evolutionary relationship is unifying principle. Three hours lecture, three hours lab. Credit: four hours.

**Biology 202. Invertebrate Biology.** Systematics, anatomy, and natural history of invertebrate animals. Three hours lecture, three hours lab. Credit: four hours.

**Biology 205. Plant Biology.** Phylogenetic survey of plant kingdom morphology, systematics, and natural history. Three hours lecture, three hours lab. Credit: four hours.

**Biology 220. Human Anatomy and Physiology.** Structure and function of human organ systems. Laboratory involves dissection and physiological measurement. Three hours lecture, three hours lab. Credit: four hours.

**Biology 301. Cell Physiology.** Functional organization of cells; basic biochemical pathways (analyzed in terms of thermodynamics, enzyme kinetics, and cellular localization); membrane phenomena. Prerequisites: Chemistry 205 or 201-202. Three hours lecture, three hours lab. Credit: four hours.

**Biology 305. Genetics.** Structure and function of the gene; Mendelian and molecular genetics; patterns of inheritance; population genetics. Prerequisite: Biology 301 or consent. Three hours lecture, three hours lab. Credit: four hours.

**Biology 310. Developmental Anatomy.** Integrated approach to the anatomy and embryology of the organ systems of vertebrate animals. Three hours lecture, three hours lab. Credit: four hours.

**Biology 320. Microbiology.** Biology of microorganisms with emphasis on bacterial structure, function, and importance; basic virology and immunology. Laboratory emphasizes microbiological techniques. Prerequisite: Biology 101 and consent. Three hours lecture, three hours lab. Credit: four hours.

**Biology 401. Ecology.** Patterns of distribution and abundance of organisms, stressing quantitative evaluation of population dynamics, community structure, and ecosystem relations. Energetics and reproductive success are unifying principles. Prerequisite: Consent. Three hours lecture, three hours lab. Credit: four hours.

**Biology 405. Biology Seminar.** Selected topics in biology involving student presentations and discussions. Two hours lecture. Credit: two hours.

**Biology 410. Developmental Biology.** Principles, patterns, and regulatory mechanisms influencing growth and development of tissues, organs, and organisms. Laboratory provides experimental approach. Prerequisite: Biology 301, 305. Three hours lecture, three hours lab. Credit: four hours.

**Biology 420. Plant Physiology.** Basic plant processes including plant cell structure and function; metabolism, membrane activities and water relations;

mineral nutrition; physiological influences on germination, growth, and development. Prerequisite: Biology 205, 301. Three hours lecture, three hours lab. Credit: four hours.

**Biology 430. Comparative Organ Physiology.** Physiological mechanisms of animals with emphasis on organ level of organization. Topics include circulation and gas exchange, excretion and osmoregulation, neural function, energetics, and thermoregulation. Laboratory follows experimental approach using live animal preparations. Prerequisites: Biology 301; Biology 201, 202 or 310. Three hours lecture, three hours lab. Credit: four hours.

**Biology 442-444. Independent Study.** Individual study of a topic of interest and concern to the student. May involve directed reading and/or experimental work in consultation with and supervision by a biology faculty member. May be repeated for credit (with approval of biology faculty). Prerequisite: consent. Credit: two-four hours.

## BUSINESS

**Business 101. Introduction to Business.** Role of business in society, careers in business, and introductory material concerning each of the functional areas of business studies. Credit: three hours.

**Business 107. Personal Finance.** Management of personal finances, budgeting, savings, insurance, stocks and bonds, and real estate. Credit: three hours.

**Business 220. Retailing.** Development of the retail structure, functions performed, principles governing effective operations, modern store policies, practices and problems. Credit: three hours.

**Business 303. Business Law I.** General legal principles and processes followed in business. Credit: three hours.

**Business 304. Business Law II.** Legal environment of business, with emphasis on an analytical and managerial view of the law as it relates to business operations and organization. Prerequisite: Business 203. Credit: three hours.

**Business 308. Business Statistics.** Use of statistics for decision making; statistical description; frequency distributions; significance testing, sampling and other statistical technique as applied to business problems. Credit: three hours.

**Business 312. Principles of Management.** Principles underlying the organization, management, and operation of business activities. Emphasis on the creation and maintenance of the administrative organization, the definition of goals, and the diagnosis and solution of problems which may result from changing conditions. Credit: three hours.

**Business 313. Personnel Management.** Procurement, development, utilization, and maintenance of an effective work force. Prerequisite: Business 312. Credit: three hours.

**Business 321. Principles of Marketing.** Marketing organization and methods with emphasis upon functions and channels as they relate to the manufacturer, wholesaler, and consumer. Credit: three hours.

**Business 322. Advertising.** Roles of advertising and salesmanship in a Western economy. Emphasis on product and market research, media selection, and evaluation of effectiveness. Credit: three hours.

**Business 323. Production and Operations Management.** Plant location, layout, and efficient operation. Includes practical applications of quantitative techniques such as linear programming, waiting-line problems, inventory control, and network analysis. Prerequisite: Business 312. Credit: three hours.

**Business 324. Business Research and Report Writing.** Research and uses of business information in relationship to information, statistics, and practical applications. Prerequisite: Business 308. Credit: three hours.

**Business 415. Business Finance.** Acquisition and utilization of funds by business firms, with emphasis on analysis for decisions. Prerequisite: Accounting 252. Credit: three hours.

**Business 416. Organization Theory and Behavior.** Impact of different types of markets, technologies, and other factors on the design of organizational structures and the behavior of organization members. Prerequisite: Business 312. Credit: three hours.

**Business 417. Business Policy.** Capstone course for knowledge of the various functional areas of business from a top management viewpoint of company operations. Focus on top management's role in strategy formulation and long-range planning in a dynamic environment. Prerequisites: Business 312, Business 321, Accounting 252, Economics 202. Credit: three hours.

**Business — Economics 498. Independent Study.** (Requires consent of the Chairperson of the Division of Business and Economics.) Credit: three hours.

**Business — Economics 499. Internship in Business.** (Requires consent of the Chairperson of the Division of Business and Economics.) Credit: three hours.

## CHEMISTRY

**Chemistry 101. Principles of Chemistry I.** Fundamental properties of matter; relationship of atomic structure to periodicity; introduction to thermodynamics and solution chemistry. Three hours lecture, three hours lab. Credit: three hours.

**Chemistry 102. Principles of Chemistry II.** Chemistry of the elements. Special topics in selected areas. Prerequisite: Chemistry 101. Three hours lecture, three hours lab. Credit: four hours.

**Chemistry 201. Organic Chemistry I.** Chemical bonding; introduction to stereochemistry and spectroscopy; survey of common functional groups. Prerequisite: Chemistry 101-102. Three hours lecture, five hours lab. Credit: five hours.

---

**Chemistry 202. Organic Chemistry II.** Continuation of functional group survey with emphasis on selected topics of biological importance. Prerequisite: Chemistry 201. Three hours lecture, five hours lab. Credit: five hours.

**Chemistry 205. Fundamentals of Organic Chemistry.** Properties of the major organic functional groups. Prerequisite: Chemistry 101-102. Three hours lecture, three hours lab. Credit: four hours.

**Chemistry 301. Biochemistry.** Functional organization of cells; basic biochemical pathways (analyzed in terms of thermodynamics, enzyme kinetics, and cellular localization); membrane phenomena. Prerequisites: Chemistry 205 or 201-202. Three hours lecture, three hours lab. Credit: four hours.

#### COMMUNICATIONS

Other courses in Communications are described in Speech Communication listings.

**Communications 420. Internship in Communication Studies.** Directed field experience in selected areas of communication. Requires consent of the chairperson of the Division of Humanities. Credit: three hours.

#### COMPUTER INFORMATION SYSTEMS

**Computer Information Systems 101. Introduction to Information Systems.** Applications of the computer in business; fundamentals of programming; technology and economics of information systems. Credit: three hours.

**Computer Information Systems 103. Fortran/RPG Programming.** Computer programming and language comparison. Equal emphasis on Fortran for scientific applications and RPG for business applications. Prerequisite: Computer Information Systems 101 or consent. Credit: three hours.

**Computer Information Systems 203. Algorithmic Languages.** Introduction to problem solution using digital computers; Fortran programming and algorithms. Intended for engineering and mathematics students. Prerequisite: Math 120 or consent. Credit: three hours.

#### ECONOMICS

**Economics 201. Principles of Economics. (Macro).** National income determination, taxation, money and banking, nature of economics, and current problems. Credit: three hours.

**Economics 202. Principles of Economics. (Micro).** Price system, markets, resource allocation, pure competition, monopoly, oligopoly, monopolistic competition, and current problems. Credit: three hours.

**Economics 301. Macroeconomics.** Theories of the determination of national income and employment, and the general price level. Prerequisite: Economics 201, 202. Credit: three hours.

**Economics 302. Microeconomics.** Resource allocation and factor pricing. Topics include consumer demand, market structures, production theory, cost, and distribution. Prerequisite: 201, 202. Credit: three hours.

**Economics 303. Managerial Economics.** Decision-making for private or public enterprise; principles of economic maximization under uncertainty; marketing, financial, and production strategies in a dynamic multiperiod context. Prerequisite: Junior classification. Credit: three hours.

**Economics 310. Money and Banking.** Role of money in determination of national income and level of economic activity; institutional structure of commercial banking and the Federal Reserve System; effects of monetary policy. Prerequisite: 201, 202. Credit: three hours.

**Economics 311. Public Finance.** Fundamentals of public finance, government revenues and expenditures, taxation and borrowing, and effects of fiscal policy on the level of economic activity. Prerequisite: 201, 202. Credit: three hours.

**Economics 314. Labor Economics.** Nature and causes of labor problems in the U.S.; history and theory of labor movements; economic analysis of wages, unionism, labor management relations, and public policy towards labor; introduction to manpower analysis. Prerequisite: 201, 202. Credit: three hours.

**Economics 315. International Economics.** Economic theory of international trade; examination of history of international trade and recent developments in international economic policy. Prerequisite: 201, 202. Credit: three hours.

**Economics 410. Government and Business.** Industrial organization and regulated enterprise, social control of business, and study of government as a participant in the American economy. Prerequisite: 201, 202. Credit: three hours.

#### EDUCATION

**Education 205. Educational Psychology.** Theories of learning; maximizing learning and retention; motivation; classroom management and control; working with disadvantaged and gifted learners; fostering creativity; enhancing personal growth; testing and evaluation. Credit: three hours.

**Education 270. Music Education Seminar I.** Career information, presentations by music educators, and observations in the public schools. Designed for the sophomore Music Education student. Spring semester only. One class hour per week. Credit: one hour.

**Education 301. Foundations of Education.** Historical, philosophical, and social foundations of education; the governance of education; patterns of school or-

---

ganization; trends in education; and professionalism. Credit: three hours.

**Education 320. Methods in Reading, Language Arts, and Social Studies.** Principles and techniques of reading instruction, an overview of basic reading skills and methods of teaching reading, techniques for teaching oral and written communication, preparation and use of lesson plans in reading. Trends, issues, and methods for teaching social studies. Credit: three hours.

**Education 321. Diagnosis and Correction of Reading and Learning Problems.** Strategies for diagnosing difficulties in reading and other subject areas, writing individual educational prescriptions, implementing individualized programs of instruction, conferring with parents, and utilization of other professional resources. Involves a comprehensive case study. Credit: three hours.

**Education 322. Teaching Reading in the Content Areas.** Strategies for teaching pertinent reading skills including word analysis and work-study skills in major content areas; techniques for assessing readability and other characteristics of textbooks as well as determining the reading levels of students; non-reading alternatives for helping non-reading students. For social science and music education majors. Credit: three hours.

**Education 323. Children's Literature.** Literary preferences and needs of children in grades K-8. Development of a resource file of titles and descriptions for use in teaching. Credit: three hours.

**Education 340. Early Childhood Education Project.** Independent study in a specified area in early childhood education. Majority of work involves direct observation and participation experience in early childhood education. Credit: three hours.

**Education 341. Intermediate Education Project.** Independent study in a specified area in intermediate education. Majority of work involves direct observation and participation experience in intermediate education. Credit: three hours.

**Education 355. Science Methods.** Content, material, and methods for teaching science. Simulated science teaching experience appropriate for the student's goals. Development of resources for instruction and for science learning centers. Credit: three hours.

**Education 356. Science Methods for Secondary Teachers.** Methods, materials, techniques and content for teaching science on the secondary level. Sources and uses for supplementary materials and devices. Open only to secondary education majors seeking certification in science. Credit: three hours.

**Education 360. Math Methods (K-3).** Teaching methodology in grades K-3. Emphasis on development of basic number concepts and performance of fundamental operations. Consideration of sequential learning experiences in laboratory. Restricted to early childhood education majors. Prerequisite: Math 105. Credit: three hours.

**Education 361. Math Methods (4-9).** Teaching methodology for math in grades 4-9. Laboratory provides

understanding of classroom procedure and experience. Restricted to intermediate education majors. Prerequisite: Math 105. Credit: three hours.

**Education 362. Math Methods (10-12).** Teaching methodology in secondary mathematics. Mastery of curriculum content, historical scope and sequence. Restricted to mathematics education majors. Prerequisites: Math 300, Math 400, Math 330. Credit: three hours.

**Education 370. Music Education Seminar II.** Continuation of Music Education Seminar I with added individual assignments to aid in career guidance and increase understanding of the profession. Designed for the junior Music Education student. Spring semester only. One class hour per week. Credit: one hour.

**Education 371. Music Methods for Early Childhood Education.** Music teaching methods and materials for the self-contained primary/early childhood classroom. Place of music in the education of young children; fundamentals of music notation; free and dramatic interpretation of music; listening and rhythmic activities; and rhythm instruments. Basic skills for using musical instruments in the primary/rhythm early childhood classroom. Prerequisite: Music 104. Credit: three hours.

**Education 372. Music Methods for Intermediate Education.** Music teaching methods and materials for the intermediate/middle-school classroom. Place of music in the education of children; fundamentals of music — notation, score reading of vocal and instrumental music appropriate for the intermediate/middle grades, basic musical forms and terminology; free and dramatic interpretation of music; and listening and rhythmic activities. Prerequisite: Music 104. Credit: three hours.

**Education 375. Art Methods for Elementary Education.** Comprehensive program of arts and crafts. Variety of drawing and painting techniques as well as craft processes including printmaking, papier mache, fabric projects, and collage. Portfolio of projects required upon completion of the course. Credit: three hours.

**Education 380. Elementary Physical Education Methods.** Physical fitness and organized activities appropriate to early childhood and intermediate levels of instruction. Credit: three hours.

**Education 390. Social Studies Methods.** Role of the social studies in a spiral curriculum. Methodologies derived from learning theories and the nature of the social sciences are considered as sources for instruction strategies. Credit: three hours.

**Education 420. Investigations in Reading.** Historical development and current trends in reading instruction; organization and administration of reading programs; principles of curriculum development; choosing, developing and using resources for reading instruction. Credit: three hours.

**Education 440. Student Teaching in Early Childhood Education.** Supervised internship in teaching in early childhood education. Involves observation, participation, and structuring an educational environment. May be taken only after completion of other required

---

education courses. A student teaching fee will be assessed. Credit: fifteen hours.

**Education 441. Student Teaching in Intermediate Education.** Supervised internship in teaching in intermediate education. Involves observation, participation, and structuring an educational environment. May be taken only after completion of other required education courses. A student teaching fee will be assessed. Credit: fifteen hours.

**Education 442. Student Teaching in Music Education.** Supervised internship in music education. Involves observation, participation, and structuring an educational environment. May be taken only after completion of other required education courses. A student teaching fee will be assessed. Credit: fifteen hours.

**Education 443. Student Teaching in Social Studies Education.** A supervised internship in teaching in social studies education. Involves observation, participation, and structuring an educational environment. May be taken only after completion of other required education courses. A student teaching fee will be assessed. Credit: fifteen hours.

**Education 460. Student Teaching in Mathematics.** Supervised internship in teaching mathematics. Involves observation, participation, and structuring education environment. Student teaching fee assessed. Prerequisite: Education 205, 301, 322, 362. Credit: fifteen hours.

**Education 470. Student Teaching in Science.** Supervised internship in teaching science. Involves observation, participation, and structuring an educational environment. Student teaching fee assessed. Prerequisites: Education 205, 301, 322, and 356, or consent. Credit: fifteen hours.

**Education 485. Student Teaching in Reading/Early Childhood Education and Reading/Intermediate Education.** Supervised internship both in reading and in early childhood or intermediate education. Involves observation, participation, and structuring education environment. Student teaching fee assessed. Credit: fifteen hours.

**Education 487. Student Teaching.** An abbreviated supervised internship in teaching within one of the education majors offered. Involves observing, participating, and structuring an educational environment. Offered under special circumstances and may be taken only through special permission of the Teacher Education Committee and Dean. Student teaching fee assessed. Credit: 8 hours.

## ENGINEERING

**Engineering 101. Engineering Graphics.** Use of drafting equipment and orthographic drawing; sub-topics are: free-hand drawing, dimensioning, lettering, geometrical construction, sectioning, primary auxiliary views, secondary auxiliary views. Two two-hour lab periods per week. Credit: two hours.

**Engineering 102. Descriptive Geometry.** Graph-

ical solution to space problems; advanced study of orthographic projections; principles of revolution, intersection, and development. Prerequisite: Engineering 101 or credit for Drawing in high school. Two two-hour lab periods per week. Credit: two hours.

**Engineering 200. Introduction to Mechanics.** Fundamentals of mechanics and their application to simple problems of engineering; Conditions of equilibrium of a particle and rigid body under the action of forces in a plane and in space, center of gravity and moment of inertia, effect of friction and principle of virtual work. Three hours lecture per week. Co-requisite: Mathematics 310. Credit: three hours.

**Engineering 301. Surveying.** Elements of plane surveying; taping, use of transit and level; topographic surveying and mapping, use of stadia, care and adjustment of instruments, elementary and astronomical surveying. Prerequisite: Math 102 or equivalent. Two hours lecture, three hours lab work per week. Credit: four hours.

**Engineering 309. Electric Circuits I.** Fundamental laws and theorems of circuit theory; introduction to transient and steady state sinusoidal analysis; circuit analysis by complex frequency. Three hours lecture, three hours of problem drill and lab per week. Co-requisite: Math 230. Credit: four hours.

**Engineering 310. Electric Circuits II.** Continuation of Engineering 209. Analysis of electric circuits by consideration of equivalent circuits which arise in the study of solid state electronics and digital circuits. Transistor equivalent circuits, magnetic circuits, transformers, polyphase circuits, and electro-mechanical energy conversion. Co-requisite: Math 310. Prerequisite: Engineering 209. Three hours lecture, three hours of problem drill and lab per week. Credit: four hours.

**Engineering 401. Special Problems in Engineering.** Individual study and analysis of current problems in engineering science. Prerequisite: consent of instructor. Credit: three hours.

## ENGLISH

**English 99. Communication Skills.** Individualized study in grammar, spelling, composition, reading for students deficient in English. May not be taken simultaneously with English 101; does not fulfill English or Humanities requirements of the College. Credit: three hours.

**English 101. English Composition I.** Fundamentals of English. Emphasis on grammar and mechanics; writing of expository themes; study of essays and short fiction. Credit: three hours.

**English 102. English Composition II.** Continued practice in expository writing. Practice in the usage of source materials to include a documented term paper; study of drama and poetry. Prerequisite: English 101. Credit: three hours.

**English 101 Honors. Composition I.** Advanced

---

composition using essays and fiction as source materials for class discussions and writing. Credit: three hours.

**English 102 Honors. Composition II.** Advanced composition and creative writing correlated with a study of poetry and drama and including fundamentals of research. Prerequisite: English 101 or 101H. Credit: three hours.

**English 150. Creative Writing Workshop.** A laboratory in writing emphasizing poetry, fiction, essays, and criticism, correlated with publication of *Counterpoint*, the College literary magazine. In-class evaluation of student writing. May be repeated without credit. Credit: one hour.

**English 201. Major British Authors I.** Major English writers from Chaucer through Boswell. Prerequisites: English 101 and 102. Credit: three hours.

**English 202. Major British Authors II.** Major English writers from Blake through Auden. Prerequisites: English 101 and 102. Credit: three hours.

**English 203. Major American Authors to 1865.** Major American Authors from Colonial Period to Civil War. Prerequisites: English 101 and 102. Credit: three hours.

**English 204. Major American Authors from 1865.** Major American Authors from Civil War to Contemporary Period. Prerequisites: English 101 and 102. Credit: three hours.

**English 208. World Literature I.** Major themes in drama and poetry from representative world writers, classical to modern. Prerequisites: English 101, 102. Credit: three hours.

**English 209. World Literature II.** Major themes in fiction from representative world writers, classical to modern. Prerequisites: English 101, 102. Credit: three hours.

**English 210 Honors. American Authors.** Selected readings from American literature. Prerequisites: English 101, 102. Credit: three hours.

**English 211 Honors. British Authors.** Selected readings from British literature. Prerequisites: English 101, 102. Credit: three hours.

**English 212. Shakespeare Live.** Six plays, selected from Shakespeare's thirty-seven, presented each spring through 1984 by the British Broadcasting Company; viewers become participants in study and discussion. Credit: three hours.

**English 301. Religious Thought in American Literature of the 18th and 19th Centuries.** Revivalism as led by George Whitefield and Jonathan Edwards; Unitarianism and Transcendentalism; Neo-Puritanism of Hawthorne and Melville. Credit: three hours.

**English 302. Contemporary American Theology and Literature.** Neo-orthodoxy, situation ethics, existentialism, nihilism, theology of hope, process theology as reflected in contemporary American writers. Credit: three hours.

**English 304. American Novel.** Selected American novels of the nineteenth and twentieth centuries which reflect the changing American experience. Credit: three hours.

**English 320. Linguistics.** English phonology, morphology, and syntax. Credit: three hours.

**English 323. Children's Literature.** Literary preferences and needs of children in grades K-8. Development of a resource file of titles and descriptions for use in teaching. Credit: three hours.

**English 340. Literature and Film.** Selected literary genres and their film adaptations with emphasis on verbal and visual language, aesthetic effectiveness, and critical judgment. Prerequisites: six hours of 200 level literature. Credit: three hours.

**English 401: Contemporary American Literature.** Genres of recent American literature, focusing on the issues and themes confronting Americans; contributions by modern ethnic writers. Credit: three hours.

**English 410. Advanced Composition.** Advanced instruction in the various types of composition. Prerequisite: six hours of 200 level English. Credit: three hours.

## FRENCH

**French 101. Elementary French I.** Grammar, vocabulary and idioms with practice in understanding, speaking, reading and writing. Open to students with no previous preparation in French. Three class hours and one laboratory hour per week. Credit: three hours.

**French 102. Elementary French II.** Three class hours and one laboratory hour per week. Prerequisite: French 101 or equivalent. Credit: three hours.

**French 201. Intermediate French I.** Grammar review. Selected readings from French literature, culture, conversation and composition. Three class hours and one laboratory hour per week. Prerequisite: French 102 or equivalent. Credit: three hours.

**French 202. Intermediate French II.** Three class hours and one laboratory hour per week. Prerequisite: French 201 or equivalent. Credit: three hours.

**French 301. French Literature I.** Selected readings from the Middle Ages through the 17th Century. Prerequisite: French 202. Credit: three hours.

**French 302. French Literature II.** Selected readings from the 18th Century to the present. Prerequisite: French 202. Credit: three hours.

**French 303. Oral and Written Communication in French.** Progressive composition and conversation in French designed according to the specific needs on the class. Laboratory optional. Prerequisite: French 201-202. Credit: three hours.

**French 410. Independent study in French.** In depth study of special interest area. Prerequisite: French 301-302. Credit: three hours.

## GEOGRAPHY

**Geography 201. Introduction to Cultural/Human Geography.** An introductory course including physical geography, environmental studies, regional geography, and cultural geography. Credit: three hours.

## GERMAN

**German 101. Elementary German I.** Grammar, vocabulary, and structure of the German language with practice in understanding speaking, reading, and writing. Three class hours and one laboratory hour per week. Open to students with no previous preparation in German. Credit: three hours.

**German 102. Elementary German II.** Selected readings in German literature and culture. Three class hours and one laboratory hour per week. Prerequisite: German 101 or equivalent. Credit: three hours.

**German 201. Intermediate German I.** Review of grammar. Selections from German literature since 1945. Translation, conversation, and composition. Three class hours and one laboratory hour per week. Prerequisite: German 102 or equivalent. Credit: three hours.

**German 202. Intermediate German II.** Emphasis on German culture. Three class hours and one laboratory hour per week. Prerequisite: German 201 or equivalent. Credit: three hours.

**German 301. German Literature I.** Selected readings from the Middle Ages through the 17th Century. Prerequisite: German 202. Credit: three hours.

**German 302. German Literature II.** Selected readings from the 18th Century to the present. Prerequisite: German 202. Credit: three hours.

**German 303. Oral and Written Communication in German.** Progressive composition and conversation in German according to the specific needs of the class. Prerequisite German 201-202. Credit: three hours.

**German 410. Independent Study in German.** In-depth study of special interest area. Prerequisite: German 203-204. Credit: three hours.

## GREEK

**Greek 101. Elementary Greek I.** Essentials of Greek with emphasis on grammatical forms, simple syntax, pronunciation, and vocabulary. Credit: three hours.

**Greek 102. Elementary Greek II.** Continuation of Greek 101. Selections from Greek literature and Greek New Testament. Prerequisite: Greek 101. Credit: three hours.

**Greek 201. Intermediate Greek I.** Review of grammar and syntax; readings from the Greek New Testament. Prerequisite: Greek 101-102. Credit: three hours.

**Greek 202. Intermediate Greek II.** Readings from

the Gospels, Acts, and the writings of Paul from the Greek New Testament. Prerequisite: Greek 201. Credit: three hours.

## HEALTH

**Health 101. Personal and Community Health.** Principles and practices of personal and community health. Credit: three hours.

## HISTORY

**History 101. World Civilization I.** Major civilizations of the world; emphasis on movements of history affecting development of western culture through the Reformation. Credit: three hours.

**History 102. World Civilization II.** Major civilizations of the world; emphasis on movements of history affecting development of western culture from the Reformation through the twentieth century. Credit: three hours.

**History 101 Honors. World Civilization I.** Nature of history, meaning in history, interpretations of significant periods of history, and development of relevant themes to the present. Conventional chronological periods studied are: Ancient, Medieval, Modern and Contemporary. Credit: three hours.

**History 102 Honors. World Civilization II.** Continuation of 101 Honors emphasizing twentieth century through selected sources. Relation of Western and Oriental civilizations is stressed. Credit: three hours.

**History 201. United States History I.** Major trends in American history, political, social, and economic from Exploration through the Civil War. Fundamental principles of the American way of life and appreciation of heritage. Credit: three hours.

**History 202. United States History II.** Major trends in American history, political, social, and economic from the Civil War through the twentieth century. Fundamental principles of the American way of life and appreciation of heritage. Credit: three hours.

**History 301. History and Criticism of American Public Address.** Rhetorical study of selected speeches, speakers, and movements in American history. Credit: three hours.

**History 302. History of the Middle East and Africa.** Analysis of the maturation of the Middle East and Africa in the modern world. Early backgrounds, development by Colonial European powers, contemporary emergence of nation states, and states, and the economic and cultural impact of these countries within a global perspective. Credit: three hours.

**History 303. History of Canada.** Canadian history from settlement to the present. Emphasis on Canada in the Twentieth Century. Credit: one hour.

**History 304. History of Latin America.** Latin

American history from colonial times to the present. Emphasis on Latin America in the Twentieth Century. Credit: two hours.

**History 305. Music History I.** Composers and their compositions from antiquity through the Baroque. Three class hours per week. Prerequisite: Music 201. Credit: three hours.

**History 306. Music History II.** Composers and their compositions from the pre-classical period through the present. Three class hours per week. Prerequisite: Music 202. Credit: three hours.

**History 310. American Religious History.** Historical development and expression of major religious groups in America, emphasizing Protestantism, Catholicism, and Judaism. Credit: three hours.

**History 311. History of North Carolina.** History of North Carolina within the context of growth of United States. Colonial role, development of a sectional outlook, and emergence of national perspective. Credit: three hours.

**History 315. History of Asia.** Ancient Asian Kingdoms to the global setting of present Asian nation-states, covering emerging configurations of political and economic power. Credit: three hours.

**History 320. British History and Politics.** Readings, seminar discussions, and lectures tracing evolution of English cultural and political heritage from Roman Britain to Twentieth Century. Emphasis on development of British political system. Credit: three hours.

**History 401. American Historiography I.** Nature of interpretive history emphasizing trends in American historical writing from colonial period through the Civil War; consideration given to conflicting schools of historical writing as expressions of differing philosophies of history. Credit: three hours.

**History 402. American Historiography II.** Continuation of History 401 from end of the Civil War to contemporary American history. Credit: three hours.

**History 403. Modern European History I.** Major European powers from conclusion of the Hundred Years' War to beginning of Congress of Vienna, emphasizing significant political, cultural and religious developments. Credit: three hours.

**History 404. Modern European History II.** Major European powers in their global setting from Congress of Vienna to present, emphasizing political, cultural and religious developments. Credit: three hours.

**History 405. Aesthetic Experience in America I.** Qualities and experiences of times, place, and purpose that represent the aesthetic awareness developing in America from its historical beginnings to the 1860's. Selected examples of artistic forms represent the arts in relatedness to American experience. Credit: three hours.

**History 406. Aesthetic Experience in America II.** Innovations and international dimensions of aesthetic experience in America during latter 19th and 20th centuries; diversity of styles and attitudes of World War II

presented through lives, works, and philosophies of individual artists. Credit: three hours.

**History 410. History of Religion in Contemporary America.** Religious expression in America since 1950. Comparison of mainstream and divergent groups. Particular attention to social and cultural factors. Credit: three hours.

**History 412. Senior Project: Interpreting the American Experience.** Capstone course for integrating the dimensions of the American experience; students work closely with instructor on major project. Credit: three hours.

**History 450. History and the Social Sciences.** Nature of history and nature of the social science disciplines; consideration of interdisciplinary possibilities. Credit: three hours.

#### HUMAN SERVICES

**Human Services 321. Introduction to Human Services I.** Exploration of human service delivery systems. Survey of the field and clarification of vocational choice. Credit: three hours.

**Human Services 322. Introduction to Human Services II.** Continuation of Human Services 321 emphasizing the helping relationship, development of skills in verbal and non-verbal communication and psychological report writing. Prerequisite: Human Services 321. Credit: three hours.

**Human Services 409. Independent Study.** Under the supervision of a faculty member, students develop a topic relevant to their program and vocational goals. Topics focus explicitly and in depth on methods of human services. Restricted to seniors who have a 3.0 cumulative grade point average. Credit: three hours.

**Human Services 411. Practicum.** Required of Human Service majors. Field experience under supervision of experienced practitioners. Assessment and development of skill strengths. Credit: four hours.

**Human Services 412. Senior Seminar.** Interpretation of learning experiences and clarification of self, the college's program, and future learning goals. Credit: three hours.

#### HUMANITIES

**Humanities 301. Readings in Humanities.** Readings and discussion on assigned topics in literature, music, and art. Concepts organized from an aesthetic perspective. Communication skills emphasized. Credit: three hours.

#### JOURNALISM

**Journalism 101. Workshop.** Workshop in writing news and feature stories, preparing lay-out, and copy editing coordinated with publication of student newspaper. May be repeated once. Credit: one hour.

**Journalism 301. Newswriting.** Fundamental principles of news gathering and newswriting; study of news and news values. Prerequisites: 30 wpm proficiency in typewriting. Credit: three hours.

**Journalism 320. Religious Journalism.** Principles and techniques of church publications, public relations, and curriculum writing. Emphasis on interpretation of the church through all mass media, including radio and television. Credit: three hours.

**Journalism 405. News Editing.** Copy editing, make-up, headline writing, picture editing, typography and printing, and mass media law. Prerequisite: Journalism 301. Credit: three hours.

## MATH

**Math 97. Developmental Mathematics.** Thorough review of arithmetic, percents and elementary formulas from geometry. Methodical introduction to algebra. \*Credit: three hours.

**Math 101. College Algebra.** Basic algebraic operations as applied to polynomials, linear and quadratic and exponential functions, equations and inequalities. Selected topics in analytic geometry are introduced. A first course in foundations of college mathematics for all students with two units of algebra and one unit of geometry. Credit: three hours.

**Math 102. Trigonometry.** Trigonometric exponential and logarithmic functions, and inverse trigonometric functions, with applications and graphs. For students whose program requires the completion of calculus. Also recommended as a mathematics elective. \*\*Credit: three hours.

**Math 105. Mathematics for Elementary Education.** Theoretical concepts of logic, arithmetic, algebra and geometry, including a study of groups and fields. Restricted to majors in elementary education. \*\*Credit: four hours.

**Math 108. Mathematics for Business and Economics.** Linear equations, introduction to linear programming, logarithms, introduction to vectors, matrices, limits, functions, introduction to differential and integral calculus. For the baccalaureate degree in business. \*\*Credit: three hours.

**Math 109. Elementary Statistical Methods.** An introduction to probability and statistics, with emphasis on the collection, presentation, and analysis of data relating to the humanities and social sciences. Credit: three hours.

**Math 111. Fundamental Concepts of Mathematics.** Selected topics from arithmetic, algebra, logic, number theory, probability, and trigonometry. For students in liberal arts or general college programs. Credit: three hours.

**Math 120. Calculus and Analytic Geometry I.** Rectangular coordinates in the plane, functions, limits, continuity, differentiation of algebraic and trigonometric functions, the application of derivatives and the differential, integration and the application of the definite and indefinite integral. The first of three semesters of a unified course in analytic geometry and calculus. For engineers, mathematics majors, and science majors. Prerequisite: Math 101-102 or equivalent. \*\*Credit: four hours.

**Math 220. Calculus and Analytic Geometry II.** The second of three semesters of a unified course in analytic geometry and calculus. Transcendental functions, hyperbolic functions, methods of integration, polar coordinates, vectors, parametric equations. Prerequisite: Math 120. Credit: four hours.

**Math 240. Finite Mathematics.** Elementary combinatorial analysis, multinomial theorem, elementary probability, stochastic processes, vectors and matrices, Markov chains, convex sets, linear programming, logic, game theory, and graph theory. Prerequisite: Math 220. Credit: three hours.

**Math 300. College Geometry.** Selected topics from Euclidean, non-euclidian and solid geometry. Ideas and methods of geometry. Prerequisite: Math 240. Credit: three hours.

**Math 305. Calculus and Analytic Geometry III.** The third of three semesters of a unified course in analytic geometry and calculus. Linear algebra, vector functions and their derivatives, series, partial differentiation, multiple integration, and vector analysis. Prerequisite: Math 220. Credit: four hours.

**Math 308. Linear Algebra.** Systems of equations, matrices, determinants, linear transformations, vector spaces and eigenvectors. Prerequisite: Math 240. Credit: three hours.

**Math 310. Differential Equations.** First order equations with variables separable; Euler's method of approximate solutions; physical and geometric applications. Linear equations of the first order; applications. Solutions of linear equations with constant coefficients; methods of undetermined coefficients; operators. Applications to network and dynamical systems. Introduction to series-solutions. Prerequisite: Math 230. Credit: three hours.

**Math 330. Statistics I.** Continuous and discrete probability distributions, random variables, limit theorems, stochastic processes, sampling, estimation and hypothesis testing. Prerequisite: Math 240. Credit: three hours.

**Math 331. Statistics II.** Continuation of Math 330. Prerequisite: Math 330. Credit: three hours.

**Math 360. Math Methods (K-3).** Teaching methodology in grades K-3. Emphasis on development of basic number concepts and performance of fundamental

\*Course designed to remove deficiencies and weaknesses. Credit does not apply toward graduation and is not necessarily transferable to other colleges and universities.

\*\*Students with inadequate mathematics background may wish to consider taking Math 101 prior to Math 102, 105, 108, and 120 as these courses normally require algebraic proficiency.

operations. Consideration of sequential learning experiences in laboratory. Restricted to early childhood education majors. Prerequisite: Math 105. Credit: three hours.

**Math 361. Math Methods (4-9).** Teaching methodology for math in grades 4-9. Laboratory provides understanding of classroom procedure and experience. Restricted to intermediate education majors. Prerequisite: Math 105. Credit: three hours.

**Math 362. Math Methods (10-12).** Teaching methodology in secondary mathematics. Mastery of curriculum content, historical scope and sequence. Restricted to mathematics education majors. Prerequisites: Math 300, Math 400, Math 330. Credit: four hours.

**Math 400. Modern Algebra.** Abstract algebra including rings, groups, fields and vector spaces. Prerequisite: Math 308. Credit: three hours.

**Math 410. Numerical Analysis.** Numerical methods for solution of algebraic, transcendental and differential equations, power series and Fourier expansion. Direct and iterative methods of solving systems of equations and computer solutions. Prerequisites: Math 310, CSC. Credit: three hours.

**Math 450. Special Topics.** Topics selected from: advanced calculus, topology, advanced modern algebra, combinatorics, number theory, or foundations. May be taken up to three times. Taught on demand. Prerequisite: consent of instructor. Credit: three hours.

**Math 460. Independent Study.** Study of student-selected topic under faculty supervision. Credit: three hours.

#### MEDICAL ASSISTING

**Medical Assisting 101. Introductory Medical Assisting.** An introduction to the role of Medical Assisting. Emphasis placed on professional attitude and behavior, patient psychology, history of medicine, and basic skills in duties of receptionist and medical secretary. Three hours lecture, two hours lab. Credit: four hours.

**Medical Assisting 102. Administrative Procedures.** Continuation of MA 101. Administrative and secretarial duties, bookkeeping and insurance skills, etc. Prerequisite: MA 101. Three hours lecture, two hours lab. Credit: four hours.

**Medical Assisting 103. Medical Law and Ethics.** Legal and ethical relationships of physician and patient emphasizing contracts, professional liability, malpractice, Medical Practice Acts, and health insurance plans. Credit: three hours.

**Medical Assisting 201. Clinical Procedures I.** Clinical aspects of the medical facility. Includes instruments, medical equipment, injections, patient examinations, etc. Prerequisite: MA 101 — 102 and consent of program director. Three hours lecture, four hours lab. Credit: four hours.

## The Wingate College

### Annual Fund

Each year substantial sums must be raised to meet the differential between what students pay for their education, and what their education costs. The College and its students have been beneficiaries of the loyalty of the Baptist State Convention of North Carolina, the Independent College Fund of North Carolina, corporations, foundations and individuals. The constancy of gifts, grants, and bequests perpetuates the Wingate College cause, and makes it possible for the College to operate on a balanced budget, even at very modest cost to the student.

The Annual Fund is comprised of all gifts during the College fiscal year — June 1 through May 31. A brochure containing information on the Annual Fund can be obtained by writing to the Advancement Office.

All gifts to Wingate College are tax deductible. For further information about giving objectives, gifts of property, gifts through will, contact:

### Endowments

Friends of Wingate College have given funds for the establishment of professorships and lectureships:

The *Ruth Douglas Davis Horton Professorship of Business* was established in 1967 by Mr. and Mrs. Sam H. Lee, of Monroe. This professorship honors the late Ruth Douglas Davis Horton who was active in college affairs for over forty years.

The *Laverne Harris Professorships of Business* were established in 1969 by Mr. W. T. Harris of Charlotte, in honor of his wife.

The *Lang Professorships* were established in 1969 by the late Mr. and Mrs. Homer V. Lang who were residents of Charlotte.

*North Carolina Federal Savings and Loan Lectureship Fund* provides an annual speaker with emphasis on the national business climate.

*Henry Wall Little Fund* provides for appearances by outstanding artists, lecturers or performers to honor the memory of the late Henry Wall Little.

*Shirley Lyceum Series* given by Mr. and Mrs. Harold C. Shirley in memory of Sally Shirley Bivens and in honor of Sandra Shirley Eubanks annually provides a program by a speaker of national prominence.

Many other endowed funds subsidize many aspects of the College's operation.
